

## Watch Strap Sizing Guide

Find the Moment watch strap right for you by using this simple guide to test the strap length and width on your wrist.

Instructions:

**Step 1.** Print this page at 100%, without scaling.

**Step 2.** Select your strap style and cut along the outside edge with scissors.

**Step 3.** Wrap the strap mockup around your wrist, matching the buckle location (A) with the hole location (B).

Page is to scale if a **credit card** fits here

Page is to scale if a **quarter** fits here
