

CADITA DE DUS DIN COMPOZIT SMC

RO - INSTRUCTIUNI MENTENANTA

Curatati in mod regulat produsul dvs de dus cu apa calda si sapun pentru a evita depunerile de calcar. Nu utilizati materiale si fluide de curatare abrazive sau detergenti chimici deoarece se va deteriora suprafata produsului. Curatati partile din plastic cu o carpa si detergent bland. Nu utilizati niciodata creme abrazive, dizolvanti, acetona sau agenti de curatare chimici, nu ne asumam raspunderea pentru utilizarea altor tipuri de produse in afara de cele mentionate in aceste instructiuni.
