

GHID DE INSTALARE

Curatare&mentenanta

- Curatati articolele diverse in mod regulat pentru a preveni infundarea scurgerii. Frecvent, curatati paravanul de dus cu un mop si un detergent bland.
- Nu curatati paravanul de dus cu un detergent care poate deteriora suprafetele precum alcoolul, benzina sau alti detergenti chimici.
- Daca exista pete sau murdarie pe paravanul de dus, il puteti curata cu pasta de dinti dar este necesar sa il clatiti cu apa ulterior.
