Uwaga!

W zestawie akcesoriów brak zestawu montażowego do przymocowania mebla do ściany. Zaleca się, aby we własnym zakresie udać do sklepu budowlanego. Rodzaj śrub przytwierdzających do ściany zależy od rodzaju materiału z jakiego została wykonana (gips, drewno, cegła itd.) Jeżeli masz wątpliwości co do rodzaju śrub zasięgnij opinii fachowca w sklepie budowlanym.

Attention

The accessory kit does not include a mounting kit for attaching the furniture to the wall. It is necessary to go to the construction store on your own. The type of screws attaching to the wall depends on the type of wall material (wood, brick, plaster, etc.). If you do not know what screws to choose, consult a professional in a construction store.
