SIZE RANGE : **35 - 48**

FIT 11,5 10,5

UPPER
Technical fabric

LINING
SmellStop

Antibacterial and anti-odor lining. It prevents the proliferation of microorganisms responsible for bad odors and mycosis.

FOOTBED
Dry'n Air

COMFORT CUB3

ALL-DAY COMFORT, ENDURING SUPPORT, AND BREATHABILITY WITH EVERY STEP.

Made with soft and resilient material, it ensures lasting support and constant comfort. Thanks to the micro-holes distributed across the entire surface, it provides maximum breathability, keeping feet dry and fresh even during the most demanding days.

TOE CAP
SlimCap

SOLE
AirTech® + tpu-SKIN®

Tread thickness reduced to values never achieved before. Result: greater elasticity and cushioning effect.

RECOMMENDED WORK SECTORS:

LOGISTICS · LIGHT INDUSTRY · HANDICRAFT · SERVICES

PLUS

TECHNOLOGY

1 HiFLAP

The combination of **Hi-flap technology** and **pyramidal hole design** reduces fatigue and offers walking assistance through cushioning, dissipation, energy restitution and ensures greater stability during movements.

2 TPU HEEL SUPPORT
Helps stability in the heel.

3 HIGH HEEL PROFILE
Designed for drivers.

4 CUSHIONING EFFECT
Cushioning effect thanks to the pillow-shaped elements present in the sole.

5 LADDER GRIP
With shank reinforcement.

6 SCUFF CAP
Integrated **abrasion-resistant** toe cap for increased durability.

7 ESD
HIGH ELECTROSTATIC CONDUCTIVITY FOOTWEAR FOR ATEX ENVIRONMENTS AND EPA ZONES.

Thanks to a rapid and efficient dispersion, it minimizes the risk of unwanted electrostatic discharges, offering protection in both ATEX environments and while handling electronic devices in EPA zones.

BASE — FEEL THE COMFORT

SmellStop: Treatment made with Zinc pyrithione (CAS No. 13463-41-7), product type PT 09 or a mixture of Sodium Docusate (CAS No. 577-11-7) and ethanol (CAS No. 200-578-6)
