

REACH Declaration of Conformity

Nijmegen, 24-09-2019

Version: 24-09-2019

REACH Declaration of Conformity

FormFutura BV declares that all of its marketed filaments are delivered in accordance with all applicable chemicals laws, with special reference to the REACH Regulation (EC).

FormFutura BV declares that all possible existing obligations in connection with the registration, evaluation and authorization of substances are met.

FormFutura BV provides all customers with the necessary information regarding their filaments delivered. Material Safety Data Sheets (MSDS) will be supplied by Formfutura BV to the customer upon request.

Substances of very high concern (SVHC)

Formfutura BV declares that no substance categorized under REACH as Substance of Very High Concern (SVHC), thus classified and filed in the substance list of Annex XIV or in the related below Candidate List, version 07 July 2017 is present (> 0.1% w/w) in its filaments and/or resins.

<http://echa.europa.eu/candidate-list-table>

Formfutura BV will continue to monitor the substance list in relation to its filaments and will inform its customers if changes will occur.
