

## Storage table, height adjustable

### TECHNICAL DATA

Table shelf width: 730 mm  
Table shelf depth: 505 mm  
Minimum table height: 870 mm  
Maximum table height: 1230 mm  
Maximum load capacity: 30 kg  
Swivel casters: 4, 2 with brakes

### ATTENTION

Read the operating instructions and all safety instructions contained therein carefully before using the product. Use the product correctly, with care and only according to the intended purpose. Non-compliance of the safety instructions may lead to damage, personal injury and to termination of the warranty. Keep these instructions in a safe and dry location for future reference. Enclose the operating instructions when handing over the product to third parties.

### INTENDED USE

This product serves as a storage table for tools and components up to a maximum weight of (see technical specifications). The storage table has eight storage compartments and one storage compartment with holes of different diameters.

### SAFETY INFORMATIONS

- Keep children and other persons away from the working area.
- Do not allow children to play with the product or its packaging.
- Do not use the product if any parts are missing or damaged.
- Use the product only for its intended purpose.
- During assembly, ensure that all components are correctly aligned and all screws are tightened.

### ENVIRONMENTAL PROTECTION

Recycle unwanted materials instead of disposing of them as waste. Packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. Contact your local solid waste authority for recycling information.

### IMPORTANT ASSEMBLY INSTRUCTIONS

- During assembly, ensure that all components are correctly aligned and all screws are tightened.
- We recommend that two people complete the assembly.

## PART LIST

No.	Description	QTY
1	Storage tray	1
