HERZ – Identificare produse – calitate europeana

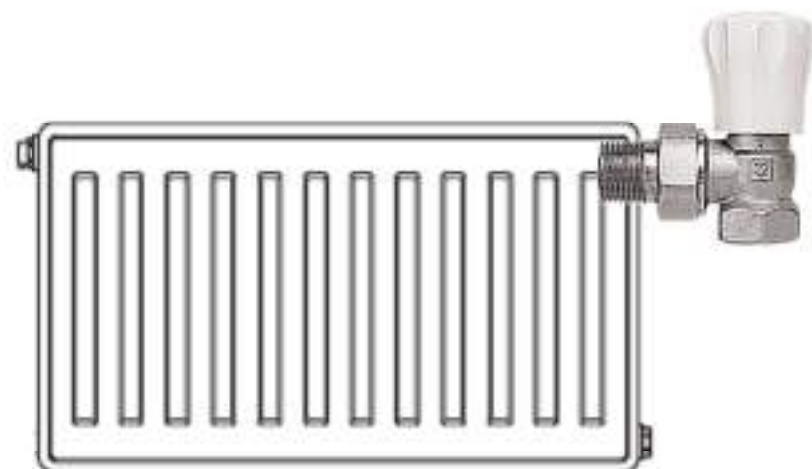

Logo-ul Keymark: certifica verificarea produselor in conformitate cu normele europene. Utilizatorii produselor pot fi siguri ca toate produsele care poarta logo-ul Keymark sunt realizate in conformitate cu standardele de calitate europene.

Eficienta energetica: criteriile de clasificare sunt influenta temperaturii apei, histerezisul si timpul de inchidere, precum si influenta presiunii diferentiale. Prin clasificarea cu **eficienta energetica A**, HERZ garantează contributia setului robinet si cap termostatic, la economisirea energiei si a resurselor in sistemele de instalatii.

HERZ – Robinete termostactice pentru racordare radiatoare port-prosop

Avantajele utilizarii acestui robinet:

- economie de energie termica la incalzirea bailor
- economie de spatiu, mai ales in baile cu suprafete mici
- aspect estetic placut

HERZ – Robinete termostactice pentru racordare radiatoare port-prosop

Herz-VUA-40 coltar

- racord radiator 1/2"
- l teava = 150 mm

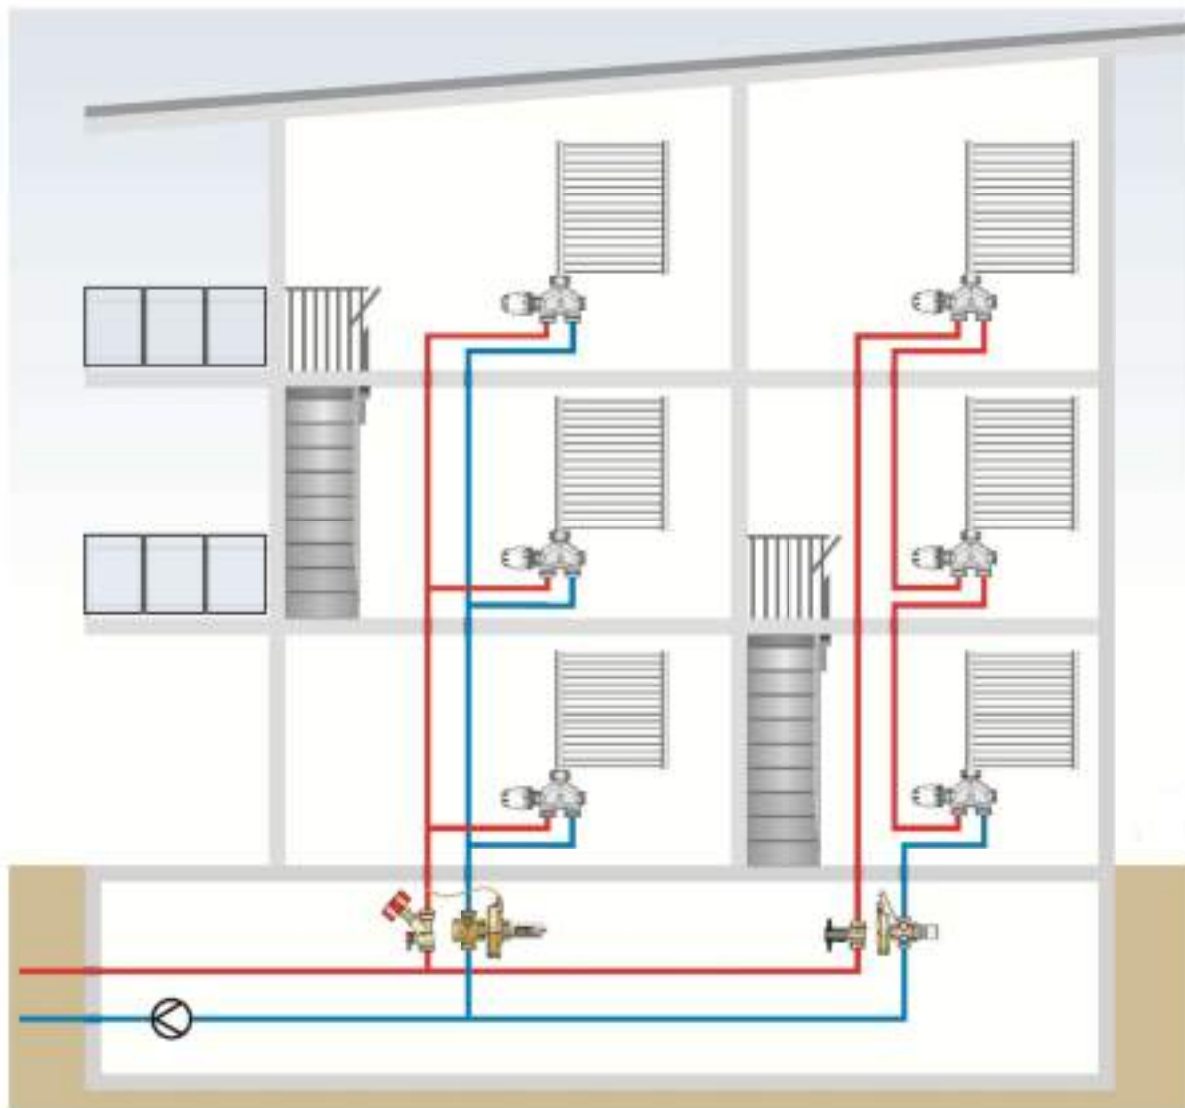

Herz-VUA-40 drept

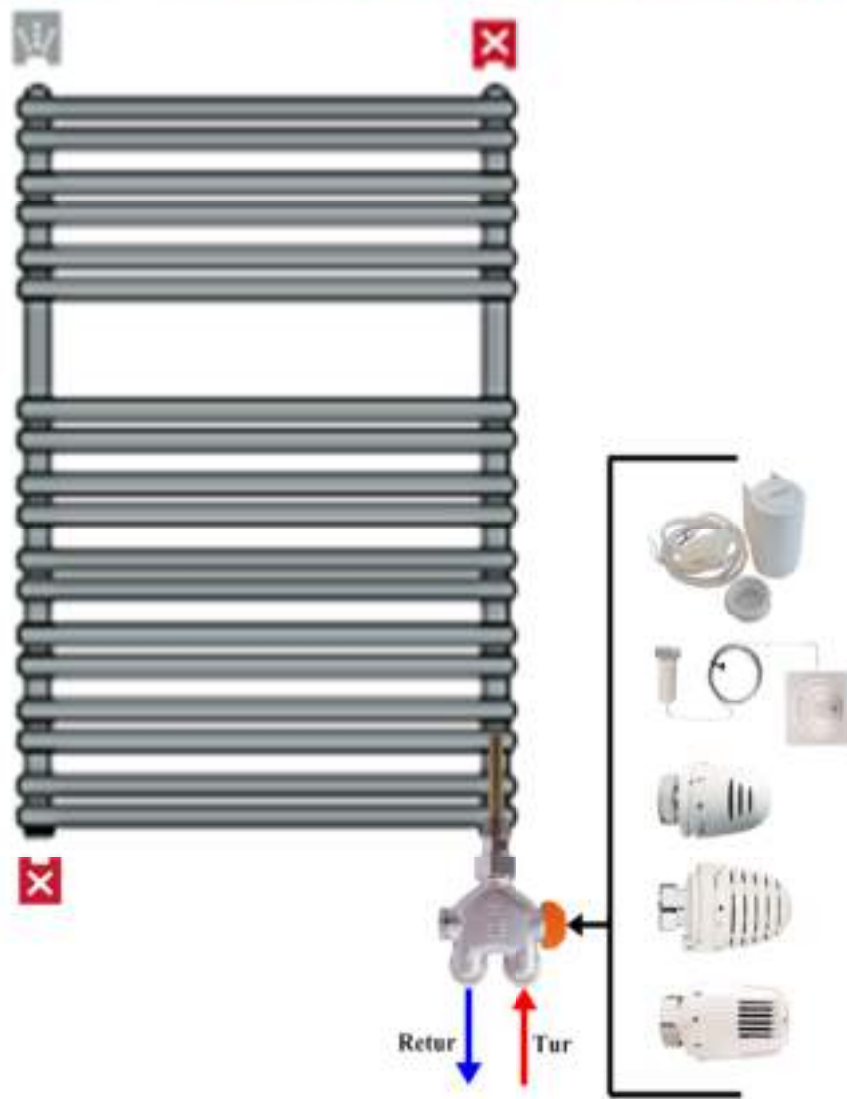

- racord radiator 1/2"
- l teava = 150/290 mm

Herz-VUA-40 – DE LUXE

HERZ – Robinete termostactice pentru racordare radiatoare port-prosop

Avantajele utilizarii acestui robinet:

- 2 robinete intr-un singur corp
- Nu mai este necesara prezenta radiatorului la montarea tevilor pe pozitie
- Micsoreaza timpul de montaj
- Permite modificarea dimensiunilor radiatorului dupa montajul tevilor

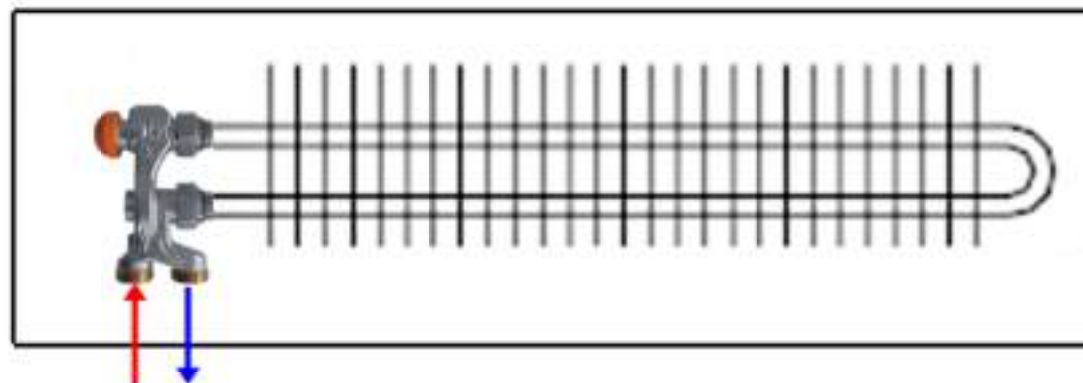

HERZ – Robinete termostactice pentru racordare convectoare

Robinet special pentru convectoare
