Use our templates to make some pretend play pasta! Print out this page and glue it onto card.  
Then carefully cut around the dashed line. Now you have your templates to draw around to  
make play pasta! We used a brown box to make ours.

Share  
your creations  
with us!

Here's some we made!

## Top tip!

You can even add detail  
to each pasta piece.  
We added detail to  
ours using a brown  
sharpie pen!
