

# Ice lolly craft!

Have lots of pretend play fun with these ice lollies! Ask a grown up to help you cut along the dotted lines. Grab two lolly sticks and a toilet roll tube then glue and wrap the rectangle shape around the tube then glue onto your stick. Next simply glue the rocket lolly onto card and onto the last stick! Ta dah!

**Top tip!**  
We decorated ours with some sprinkles!

Here's one we made!
