

# Rock pool treasures

Use this print out to create a pretend play rock pool to use in your home today!  
Carefully cut along the dotted lines so you have rock pool treasures to find. Next, use our net  
template to trace around and net from a fruit bag to stick on as we have here!

Here's one we made!

**Top Tip**  
If you can't find any  
fruit net to use, you can  
use a plastic bag or even  
a pair of tights! Have  
fun fishing!
