

# Let's go camping!

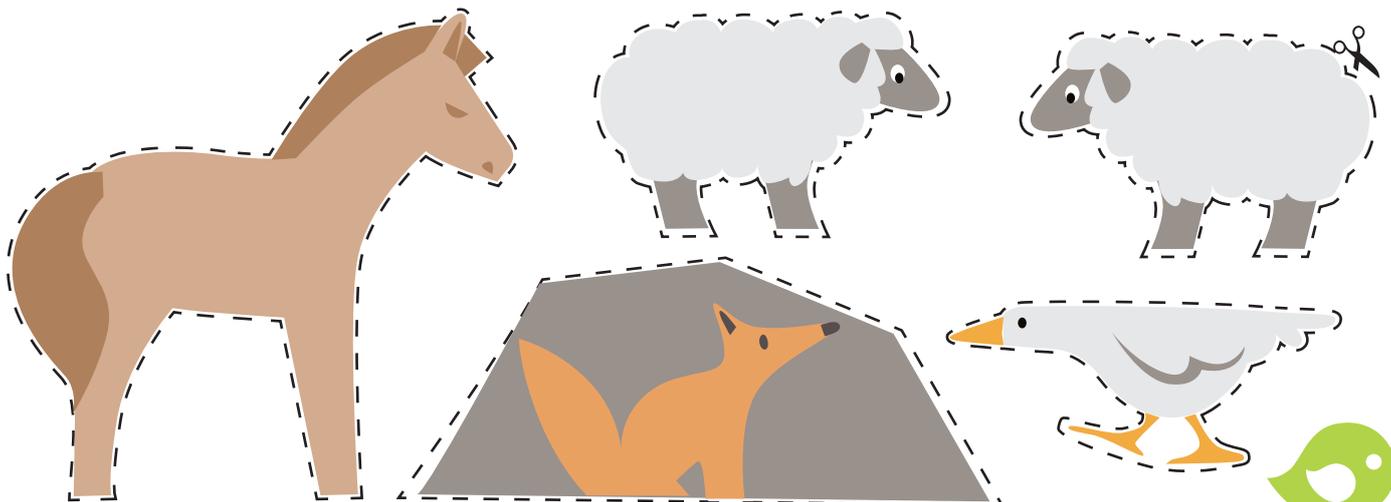

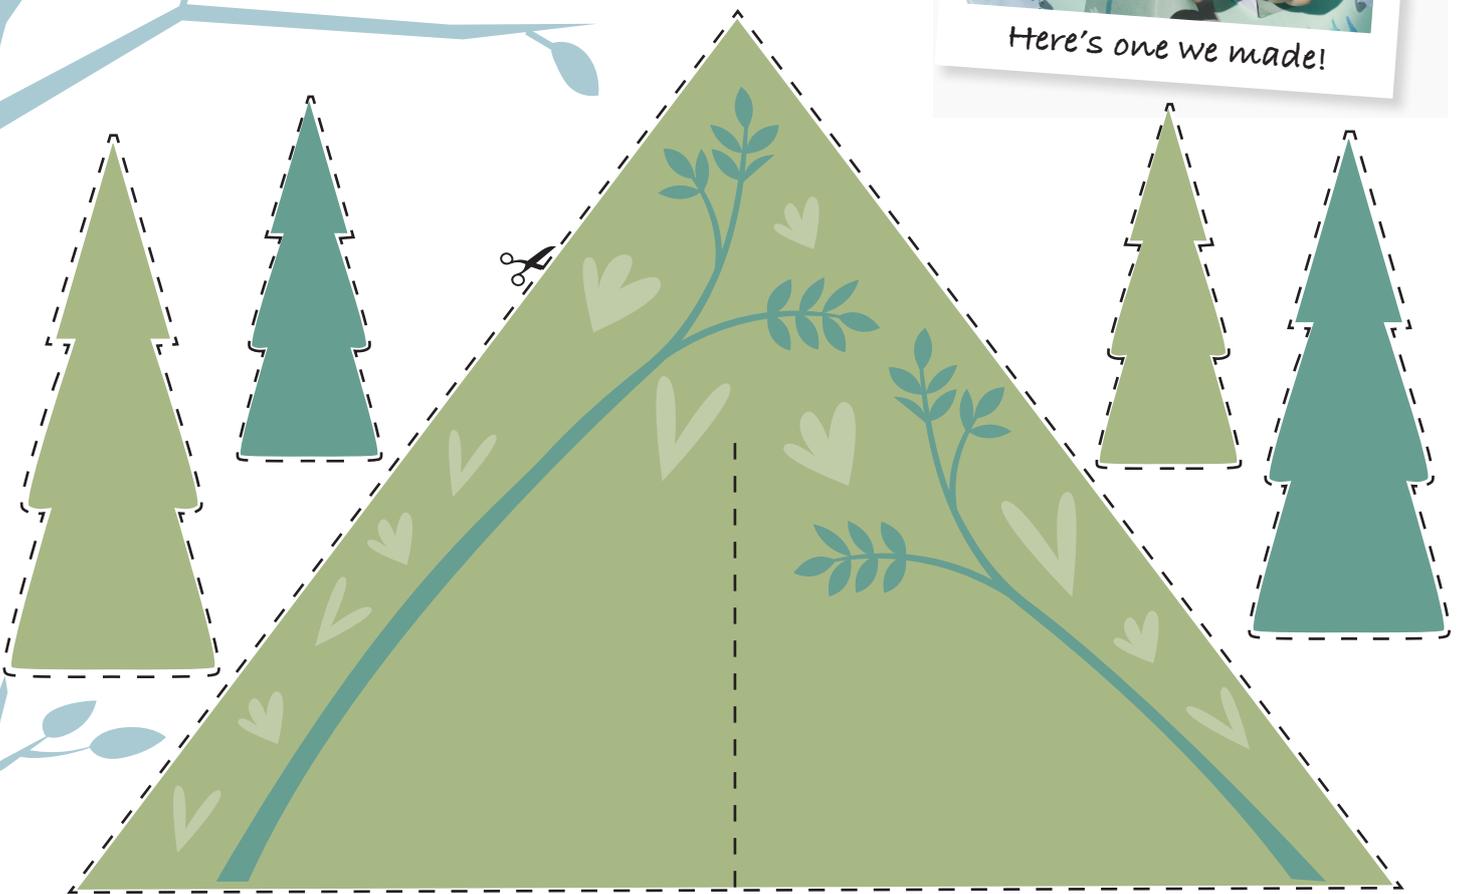

Get into the mood for some camping fun by creating this cute scene! Print out this page then cut along all dotted lines, including the central line in the middle of the tent. Fold back the centre of the tent as shown in our one we made. Then stick everything onto a piece of card!

Share your creations with us!

**Top tip!**  
You could also add a photo of your child in the tent to make it super special to give to a friend or family!

Here's one we made!
