

Scoops and Smiles

We've got two of our ice creams from our Scoops and Smiles Ice Cream set here ready for you to print out and play with today! Plus some blank templates for you to design your own. Just print out this page, stick onto some card then carefully cut around the edge of each cone!

Share your creations with us!

Minty Mandy

Here's some we made!

Top tip!

Make a cone holder for your ice creams by cutting 2-3cm slits into an upside down, empty tissue box! You could also paint the box too!
