

Tractor trails

tender leaf®
printables
www.tenderleaftoys.com

What will go in your trailer? Print out this page, carefully cut around the dashed line then glue all items onto a thick card so you can pack up and go across your field. This has been designed to complement our new Farmyard Tractor toy so all items can easily slot in the trailer!

Top tip!
Make a 2D version
by carefully cutting
out this tractor
and trailer!
