This bunny is ready and waiting to play this classic children's game! Print out each page, grab your friends and a scarf to use as a blindfold, then ask a grown up to help you cut out the bunny tails. Each player marks their name on a tail and use sticky tape on the reverse of each tail. Now take turns seeing who gets closest!

Remember to write the  
player's name on each  
tail so you know who  
is the winner!
