

# Chef for a day!

Become a chef for a day with this super easy chef's hat print out! Ask a grown up to help you print out this page and cut out the hat along the dotted line. Next thread a piece of elastic through the holes and pop on your head!

If you don't have any elastic at hand, you can use strips of paper on either side of the base of the hat as we have in the photo. Remember to add your name to it too!

Here's one we made!
