

Racing road signs

Get your racing cars ready and use these cute road signs to keep them under control! First, stick the page onto some card, then carefully cut out each sign. We used lolly pop sticks and blu tack to make our signs stand up as you can see in our photos below.

Top tip!

Add some traffic cones to your road sign collection by simply painting the inside of an egg box yellow, then cutting out the 'cones'!

Here's some we made!
