

## TABELLA LUNGHEZZA IN CM DEL PLANTARE INTERNO

Le misure di ogni modello sono in CM, se ci sono numeri con la virgola spostata è evidente che è un errore della tabella, se vedete un 3 sono 30 cm, se vedete un 236,7 sono 23,67 cm e così' via. PER ARRIVARE SUBITO AL TUO MODELLO, copia dalla scheda dell'articolo che vuoi acquistare il codice SKU del modello. Vieni su questa pagina e premi 'CTRL'+ 'F' per aprire una casella di ricerca. Incolla il codice appena copiato nella casella di ricerca. verra' evidenziato subito il risultato in tabella, non ti resta che controllare per ogni numero espresso in US ( 37=7us) la lunghezza in CM del plantare interno così' che tu possa scegliere quello che si avvicina di piu alla lunghezza del tuo piede. FACILE :D
