

Sensible screwdriver combinations for daily use.

The „Must“ for every toolbox.

**2 YEAR
GUARANTEE**

For full professional use!

FLEX-DOT screwdriver sets, 6-piece.

Combinations that no toolbox should be without. Complete first equipment for fitters and service technicians.

- Professional two-component handle design
 - Ergonomic design with flexible nubs „FLEX-DOT“ for good grip and high screwing speed.
 - Oil and acid resistant rubber grip surface even for the most adverse operational conditions.
- Blades made of S2 (chrome-silicon-manganese-molybdenum alloyed special steel), hardened and thermally stress relieved. With a balanced ratio of high torsional rigidity and durability.
- High-precision machined blade tips. With optimal „grip“ on the screw head.

You can find detailed descriptions of the individual screwdrivers on pages 2 to 4.
