[The drill/grinder shown here is not included]

Tile cutting attachment FEX

Complete with tungsten carbide cutter.
Ideal for smaller cuts in wall tiles, wood and plaster of paris.

The 20mm neck collar allows the rapid connection of the drill/grinder FBS 240/E, MICROMOT 50 and 50/E and the professional drill/grinder IB/E.The clever, stable construction of fibre reinforced POLYAMIDE allows height adjustment, a clear scale as well as a flattened edge allowing one to work close to edges.

No 28 756 Complete with 3.2mm rasp cutter

Spare cutter for the FEX

Rasp cutter of tungsten vanadium with shaft of 3.2mm. Ideal for wall tiles.
No 28 757
