

Slim Line Spanners

Tools to get to grips with.

Slim Line Ring Spanner Set

Eight piece set complete with holder. To DIN 838 and ISO 3318, with off-set heads of 75°.

Sizes: 6 x 7, 8 x 9, 10 x 11, 12 x 13, 14 x 15, 16 x 17, 18 x 19 and 20 x 22 mm.

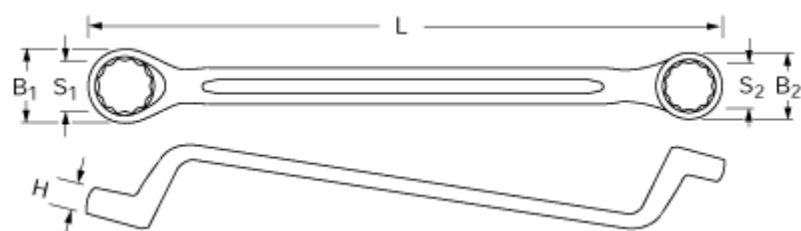

Each spanner fits into its own space in the holder, which is provided with a slot for wall mounting. The clear size indications ease finding the right spanner.

NO 23 810 Complete set

TIP:

The plastic holder for 8 and 12 pieces sets is fitted with a plastic loop used for presentation purposes. It may be removed by simply bending it back and forth a few times.
