CROCO BRIDGE

SCOPUL JOCULUI

Ajungeti pe partea cealalta a raului fara a călca pe crocodili.

CONTINUTUL JOCULUI

30 carti provocare
2 crocodili
10 buturugi
7 scanduri (5 mici si 2 mari)
tablă de joc

CUM SE JOACA

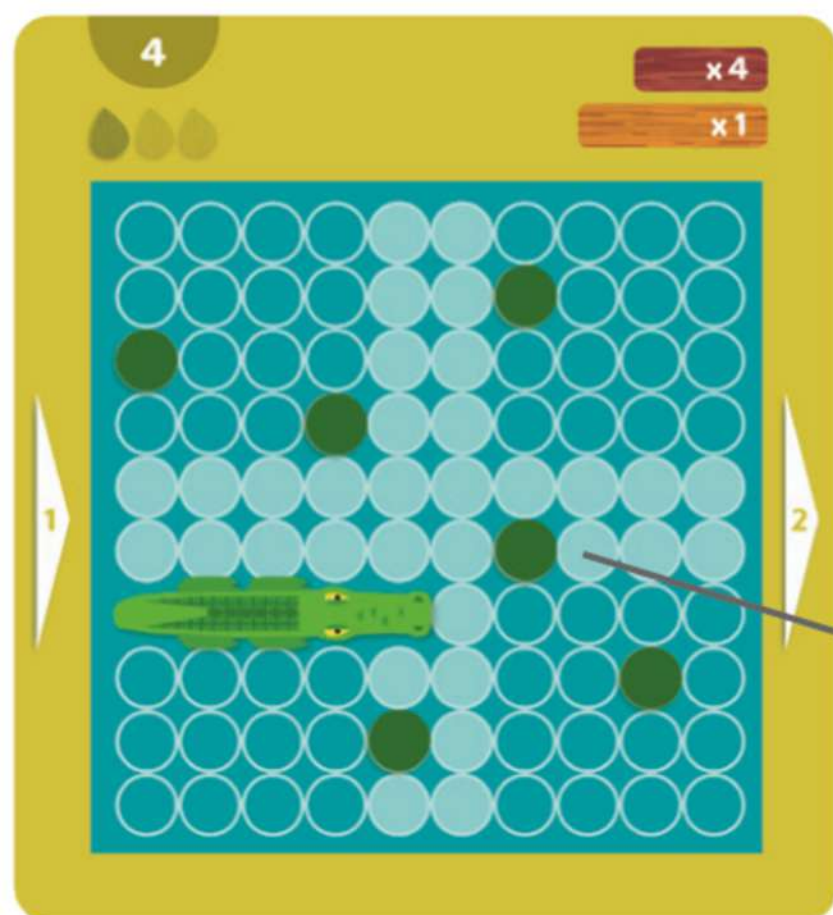

- Asezati tabla de joc in fata dumneavoastra.
 - Trageți o carte.
- Cartile au nivel de dificultate de la 1 la 3.

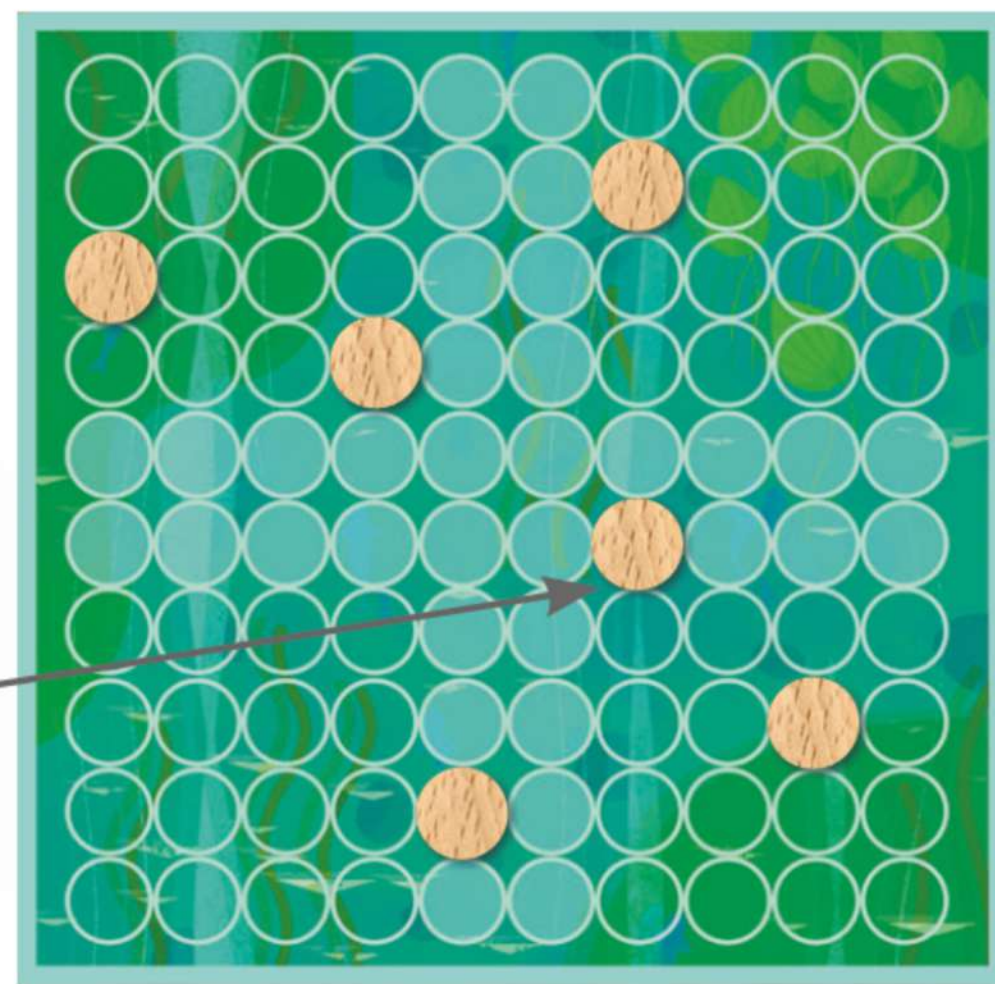

Indicat aici

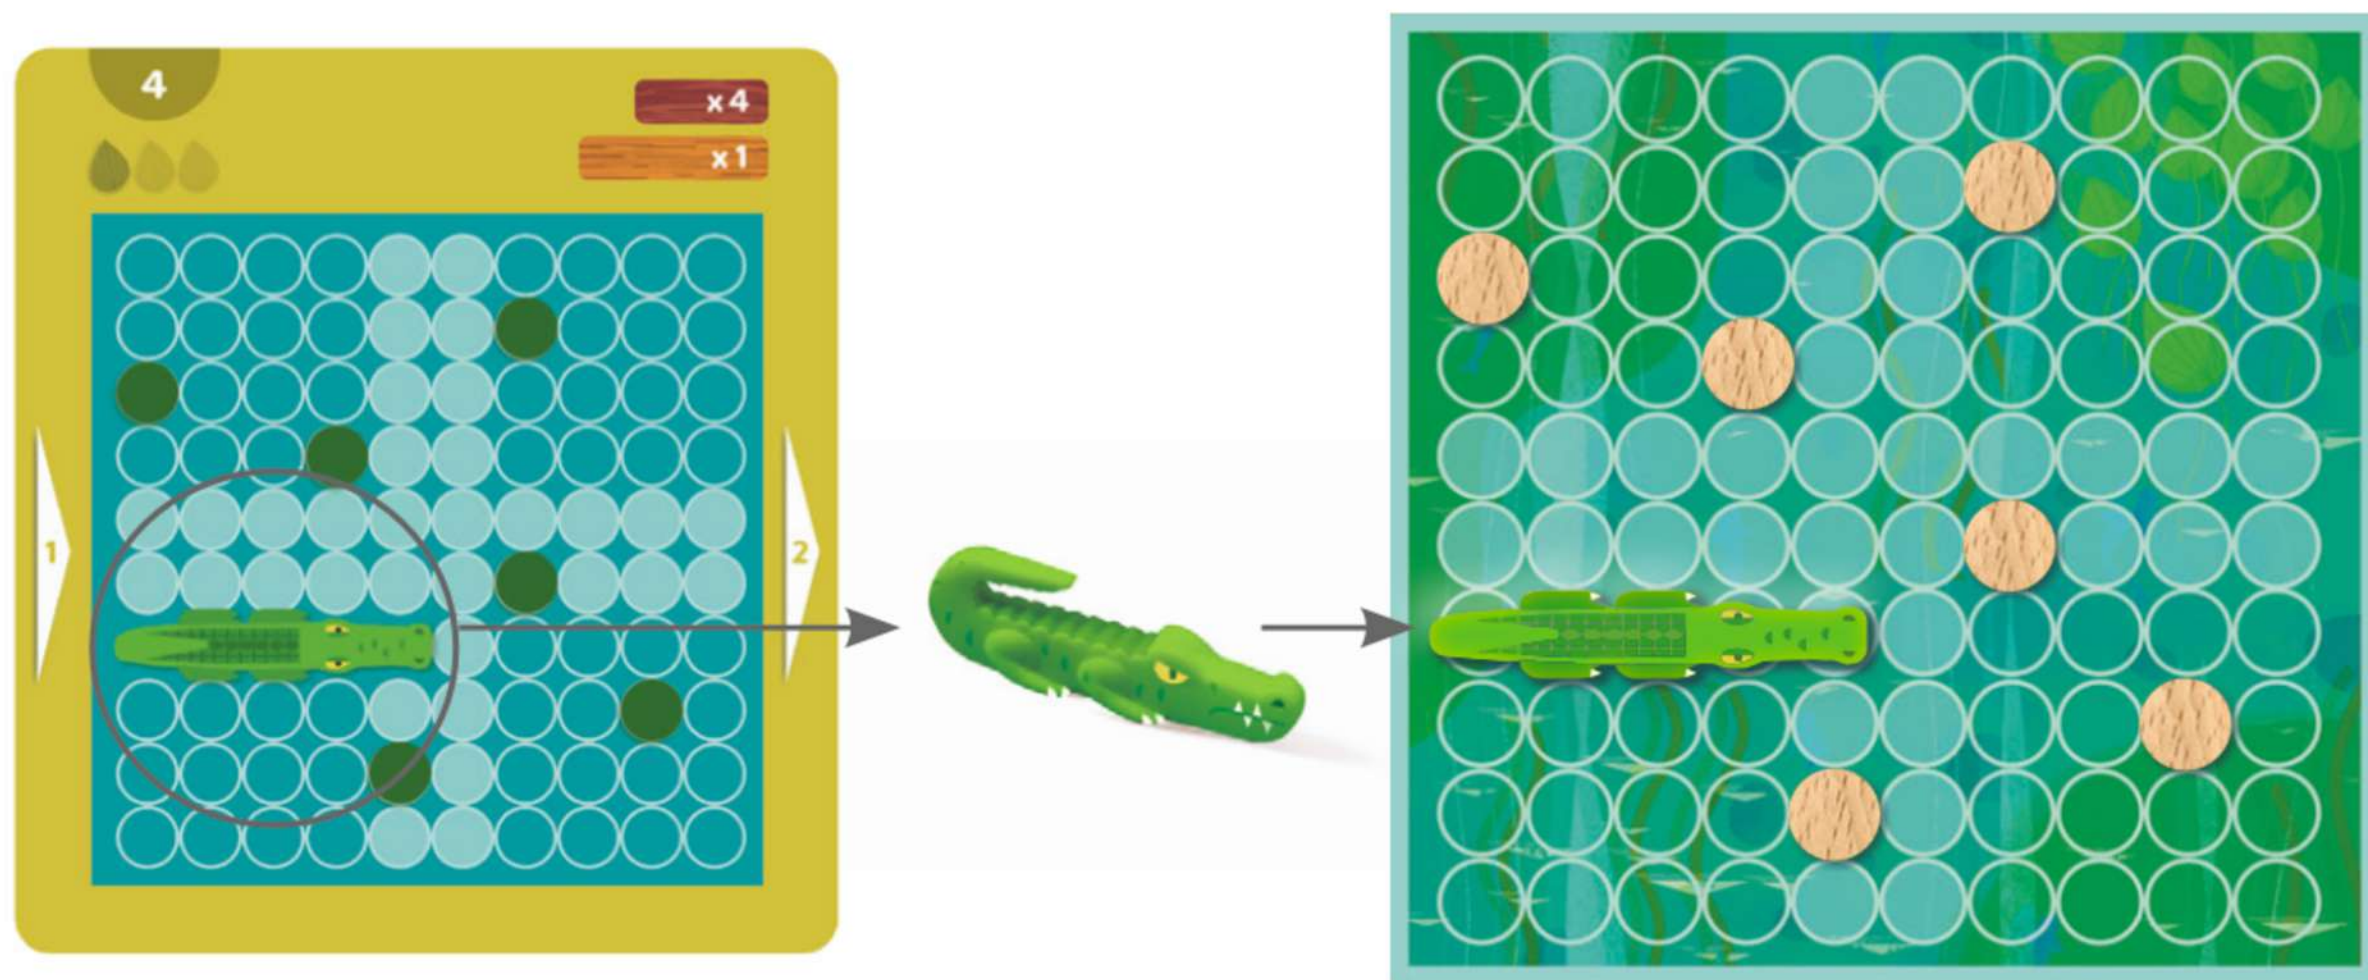

- Așezati buturugile așa cum este arătat pe carte.

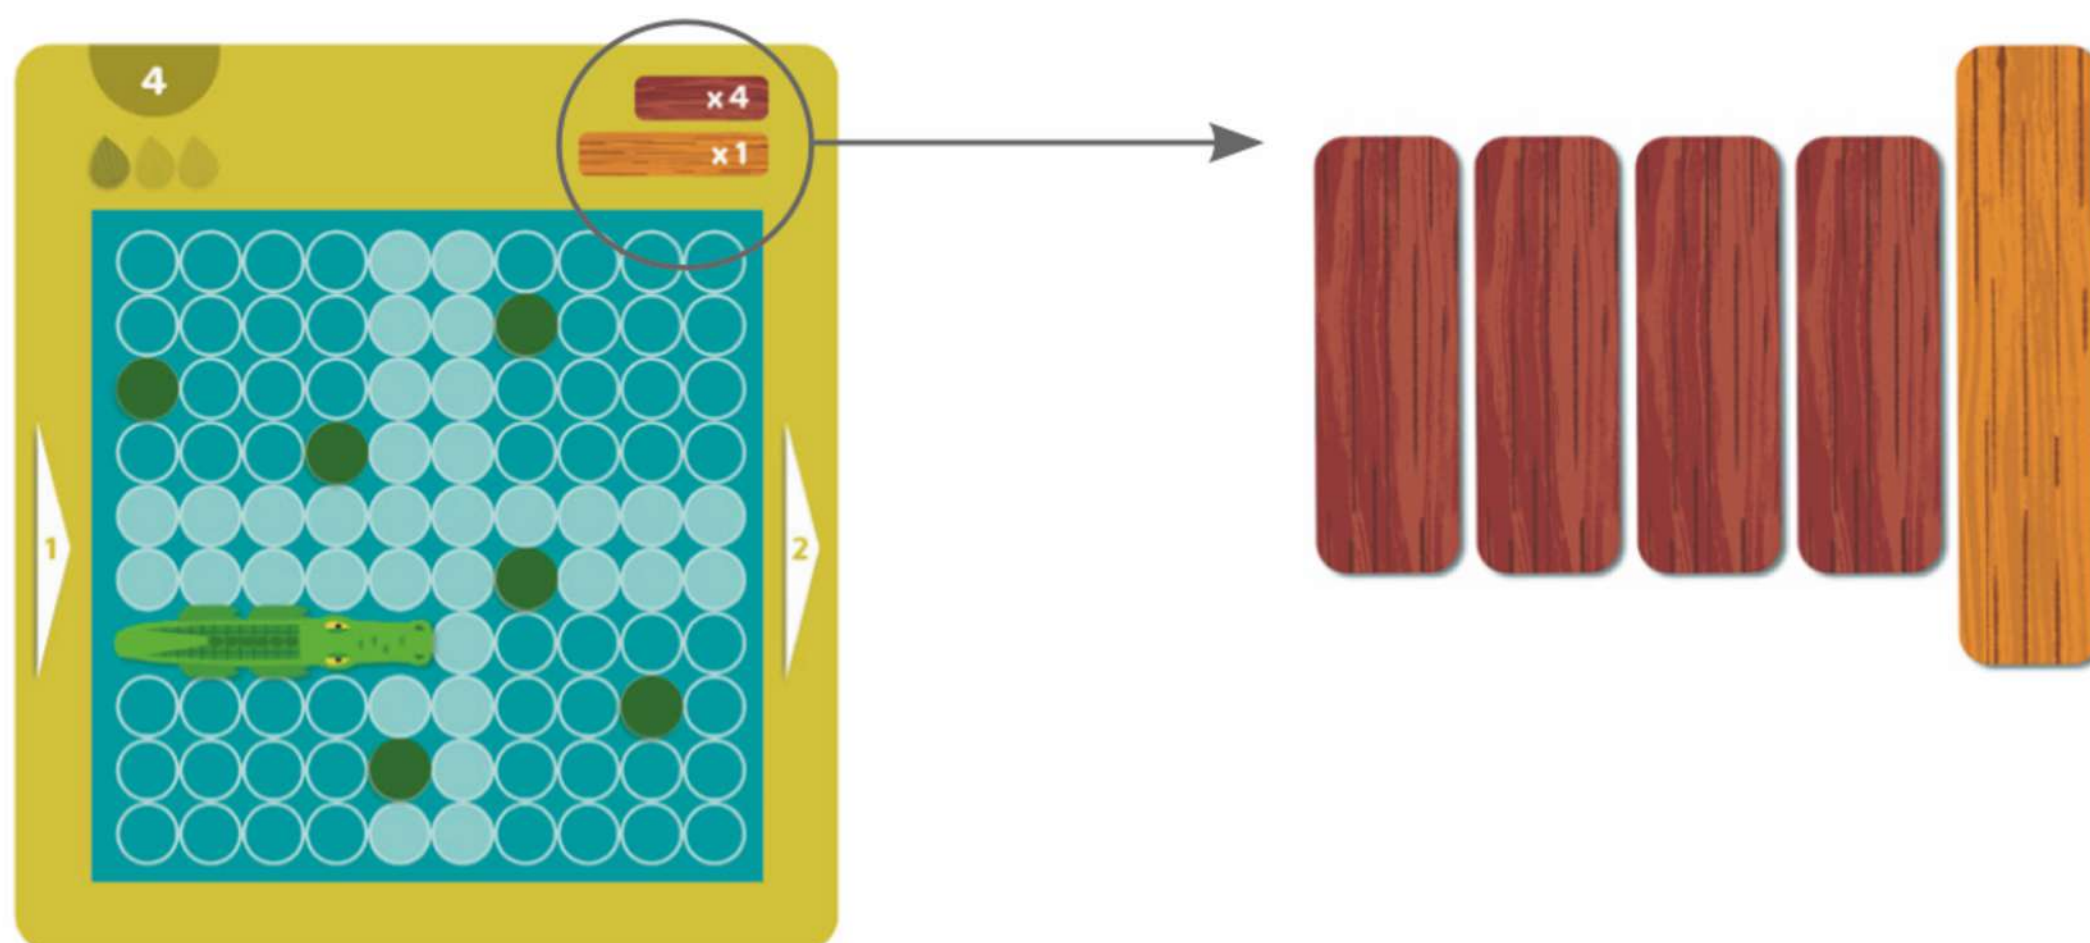

=

- Așezați crocodilul așa cum este arătat pe carte.

Selectați scândurile conform indicației.

Construiți un pod de la început:

Până la sfârșit.

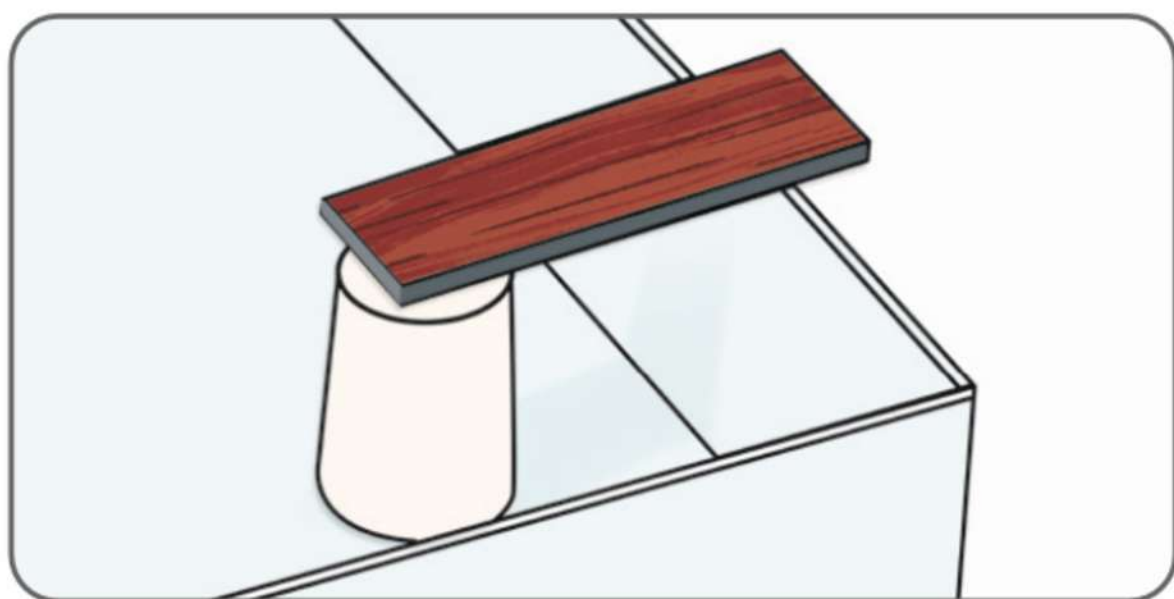

Construirea podurilor

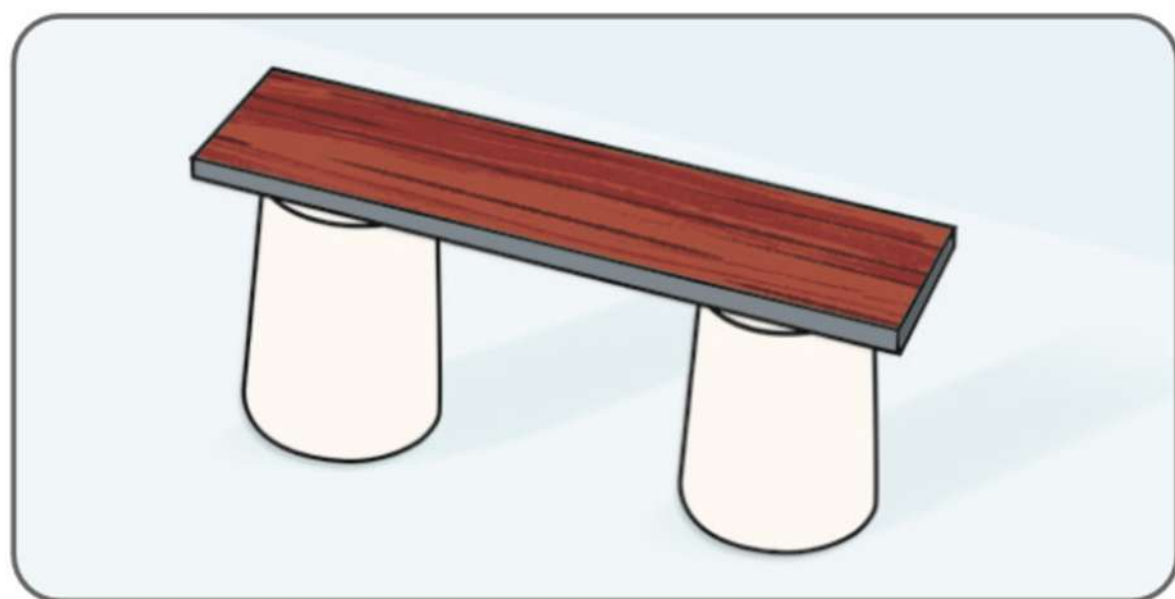

Folositi scândurile pentru a face un pod.

Scândura poate fi pusă între:

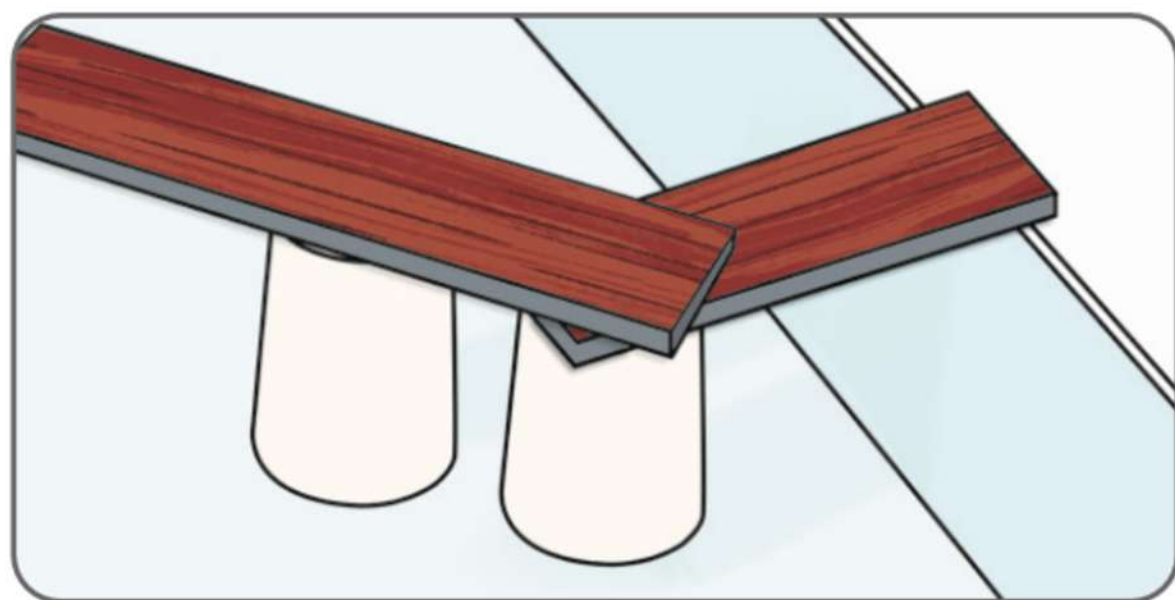

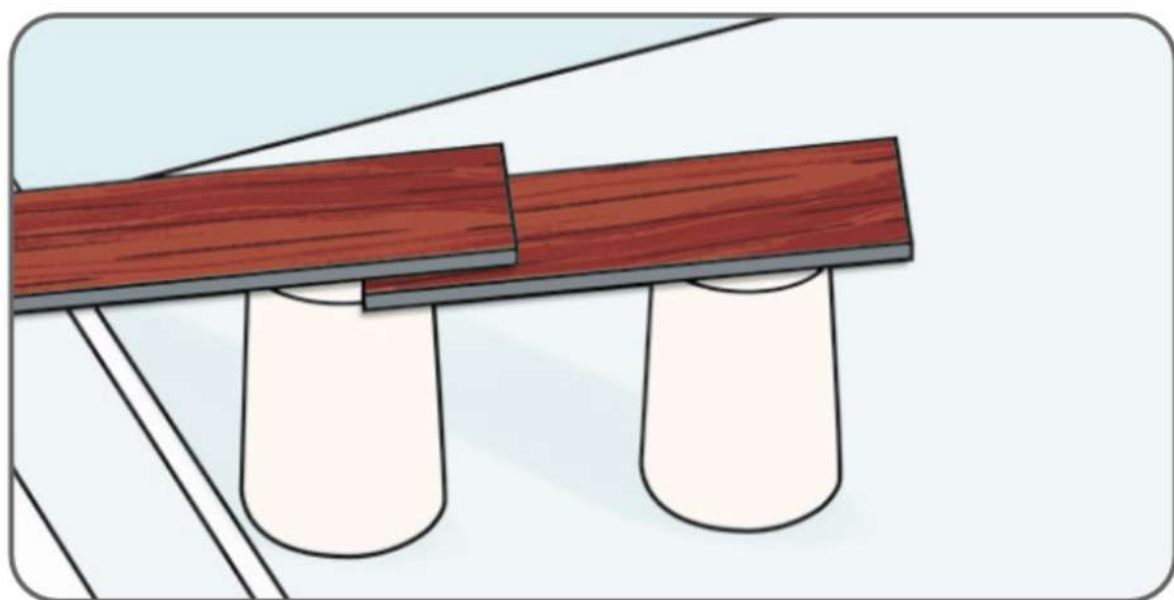

- Marginea cutiei si o buturugă.

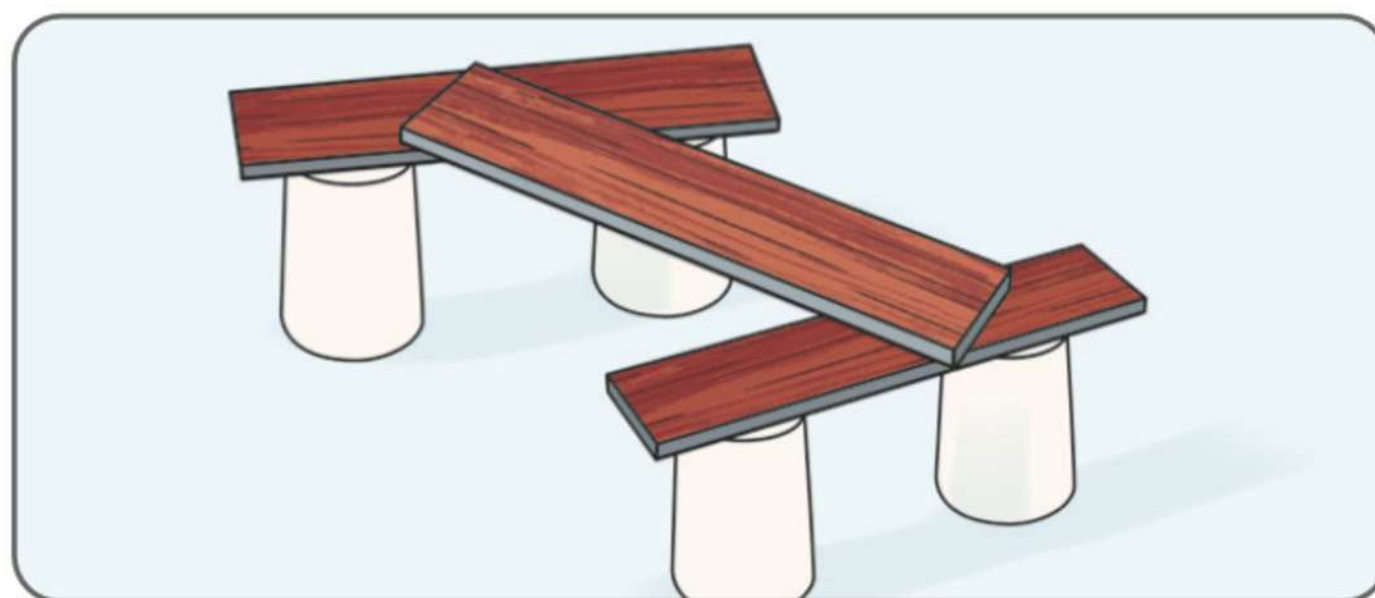

2 buturugi

Peste o scandura si marginea cutiei.

O scandura poate fi pusa peste alte doua scanduri.

Scândura trebuie să fie stabilă.

Scândura poate fi pusă în orice direcție.

Scândura nu poate

- Trece peste un crocodil, nici măcar parțial.
- Fi susținută de un singur element.
- Fi pusă peste 2 margini de cutie

Crearea traseului

Traseul dintre o margine a cutiei

și cealaltă

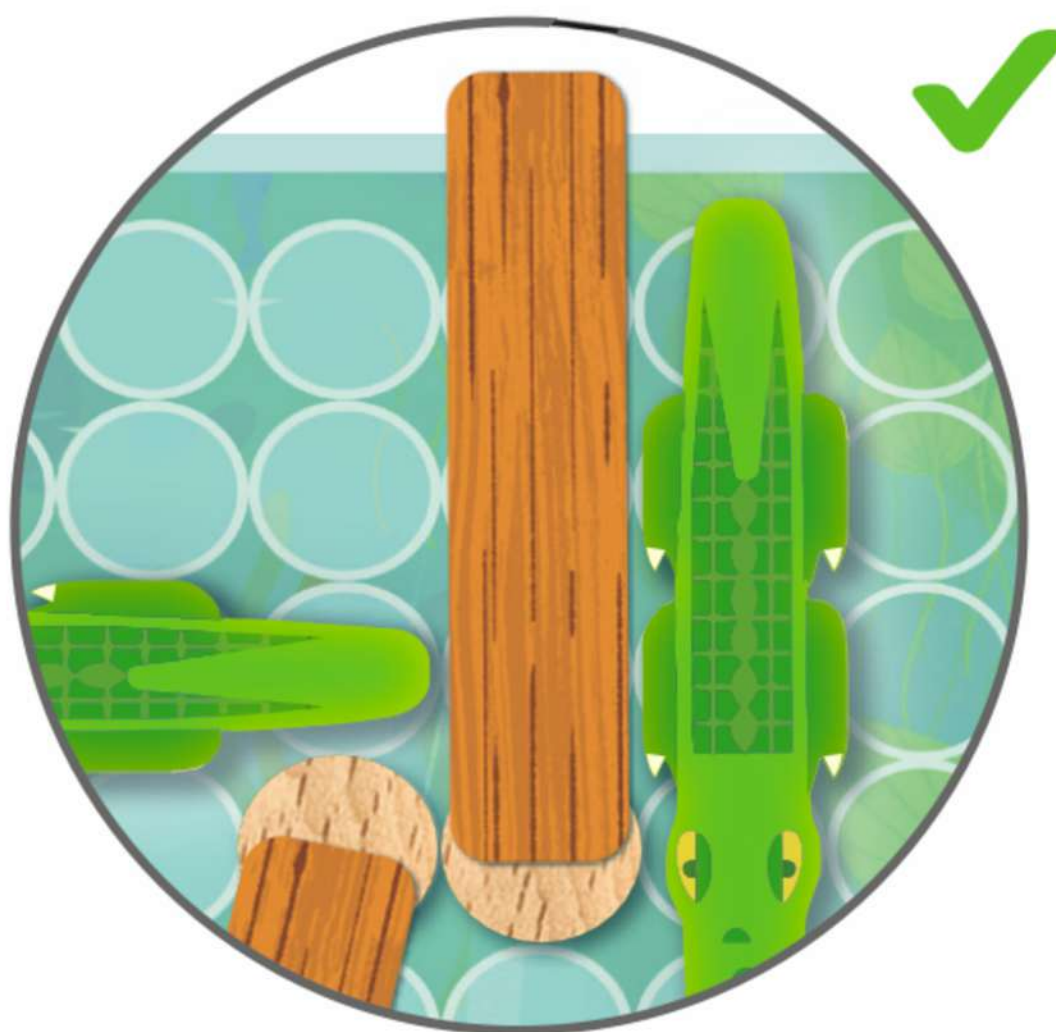

este alcătuit din scânduri puse pe buturugi.

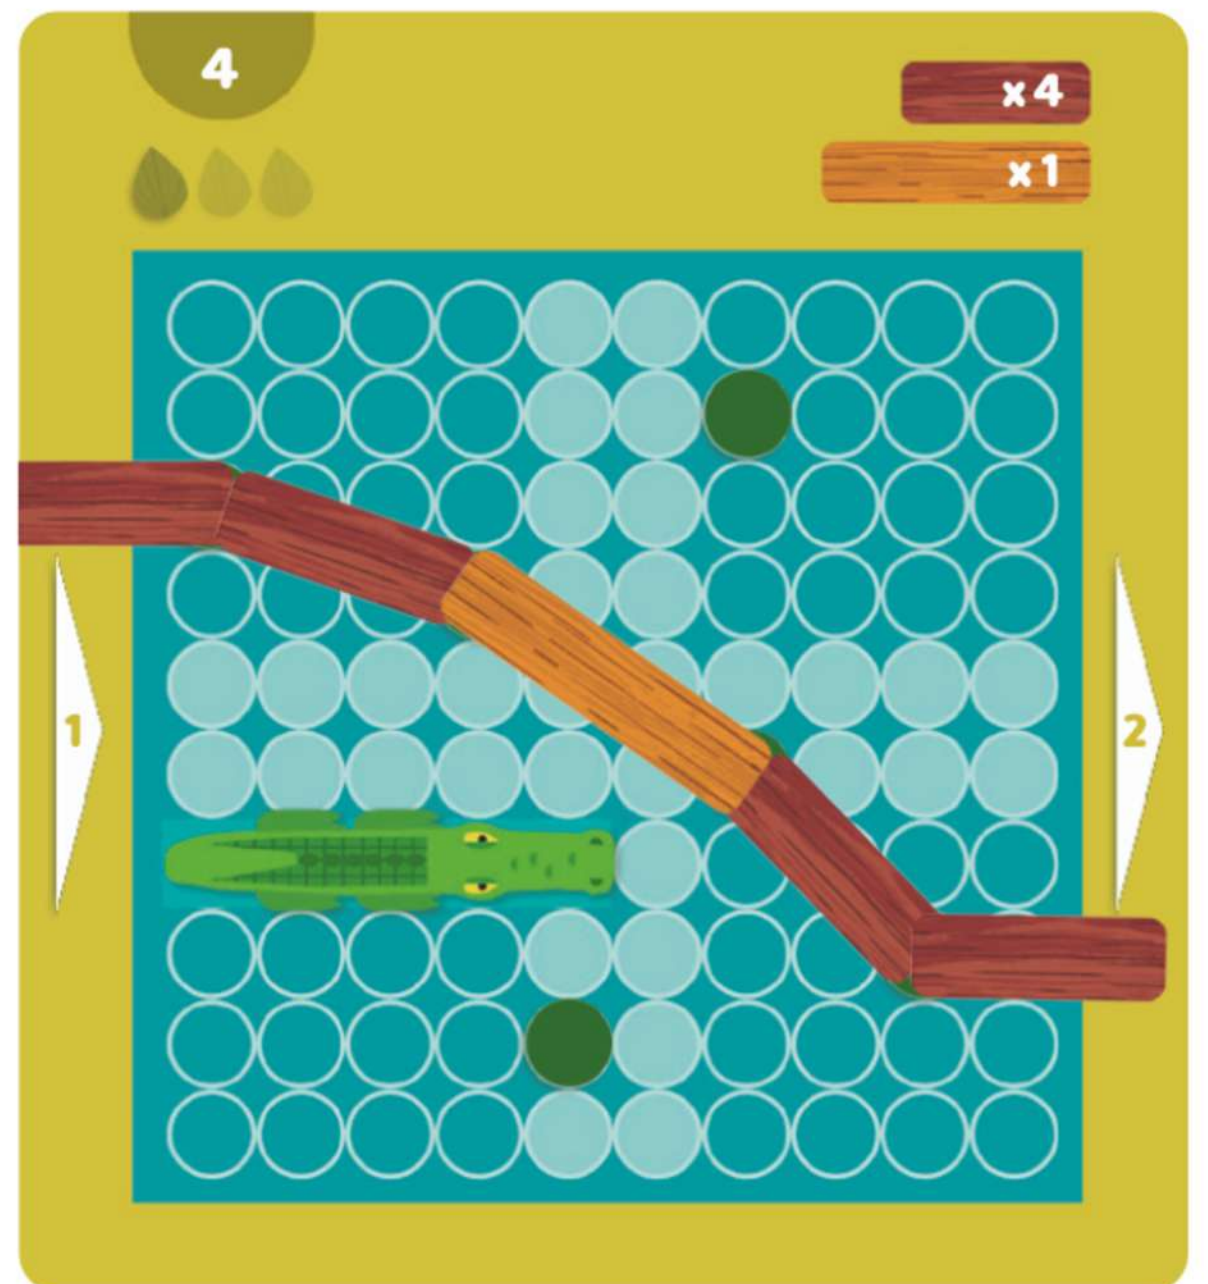

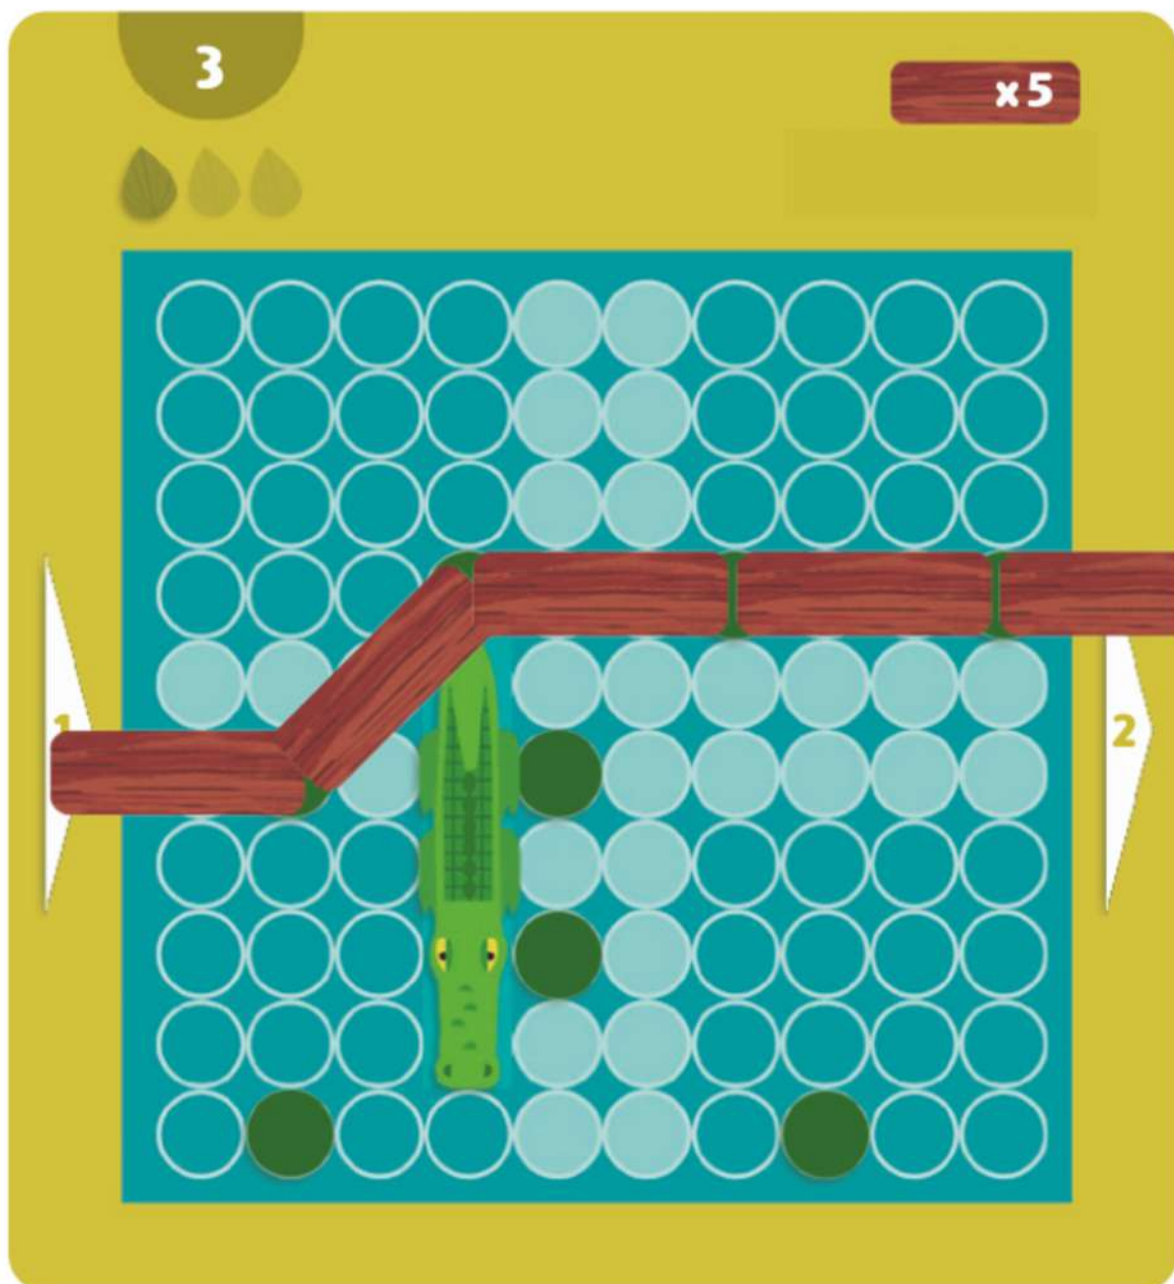

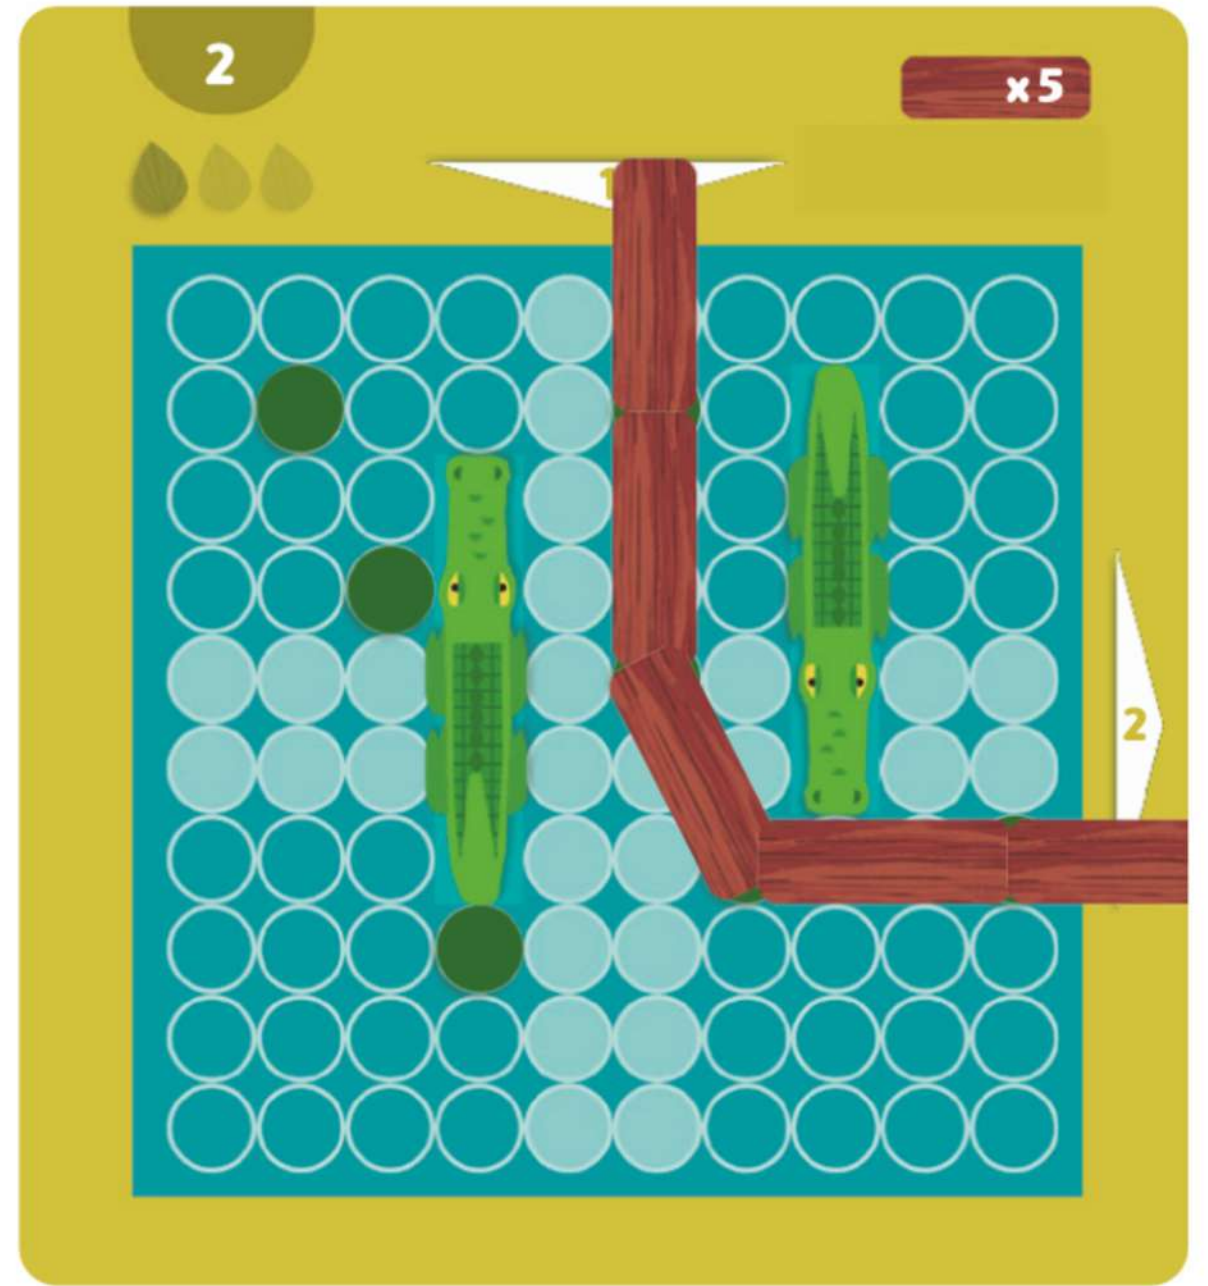

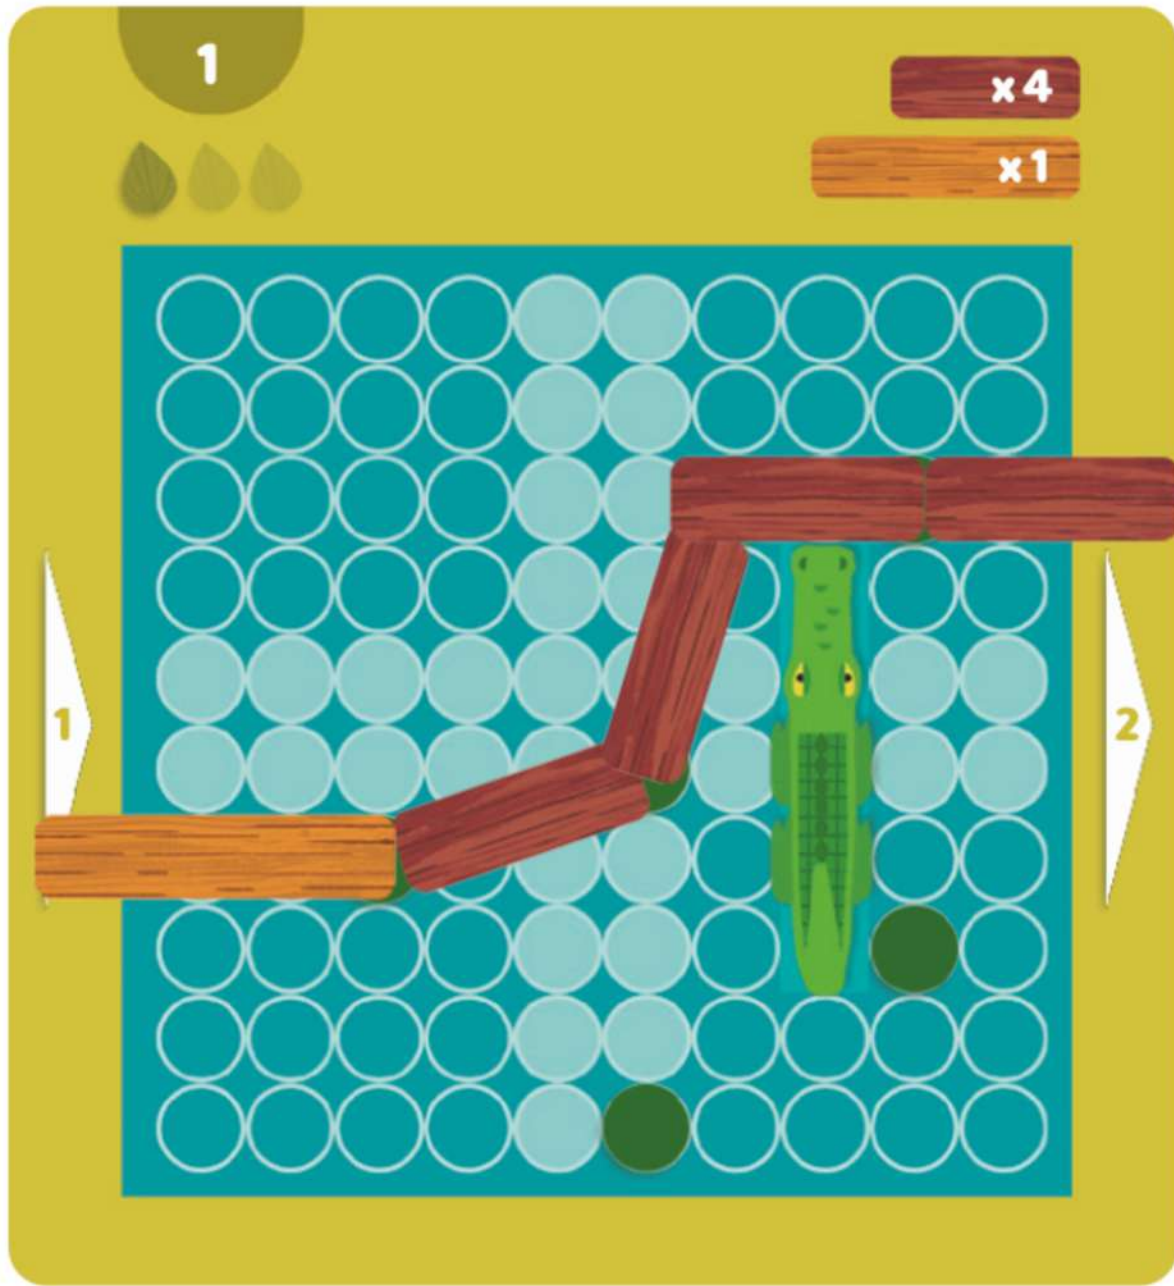

Traseul poate trece pe la una sau 2 margini ale cutiei (diferite de cea de început și cea de sfârșit).

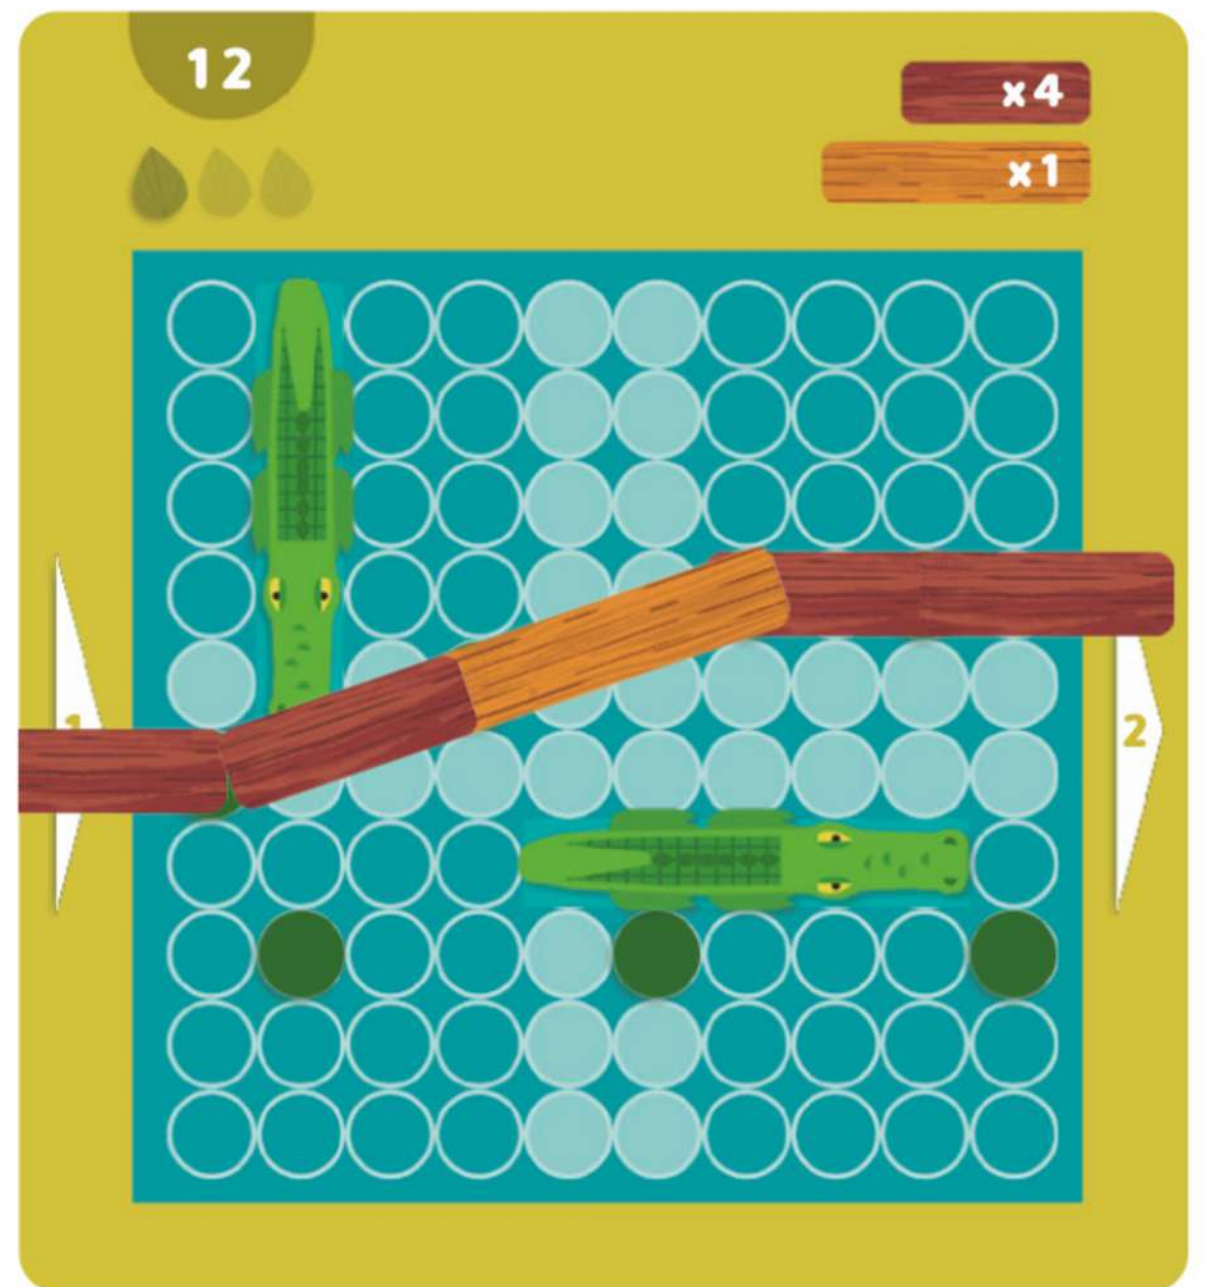

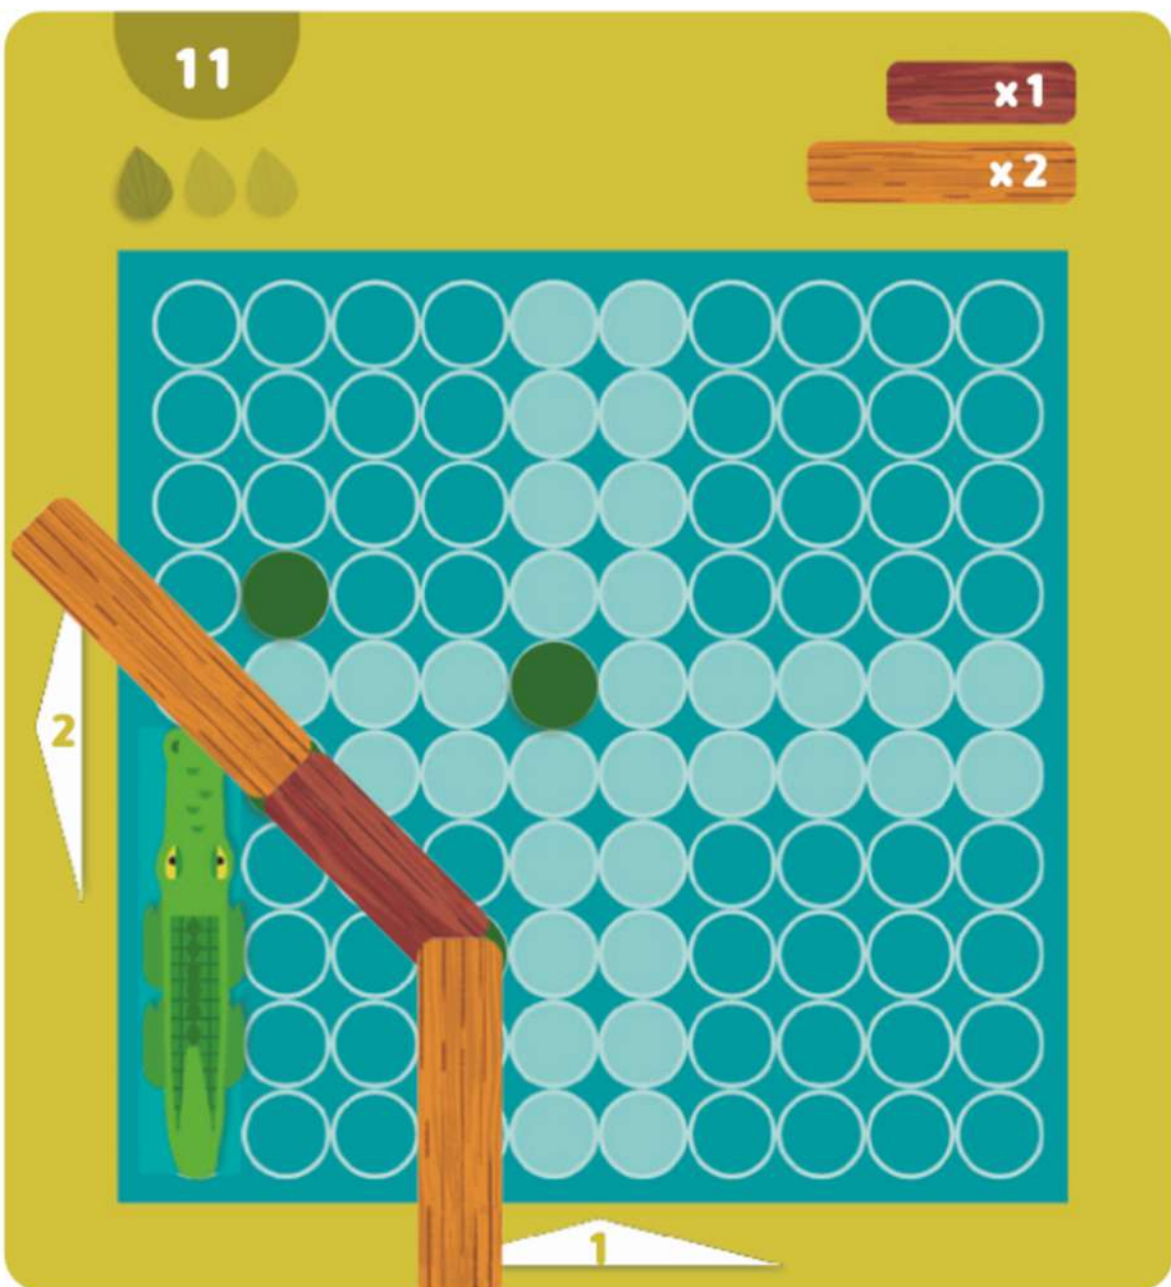

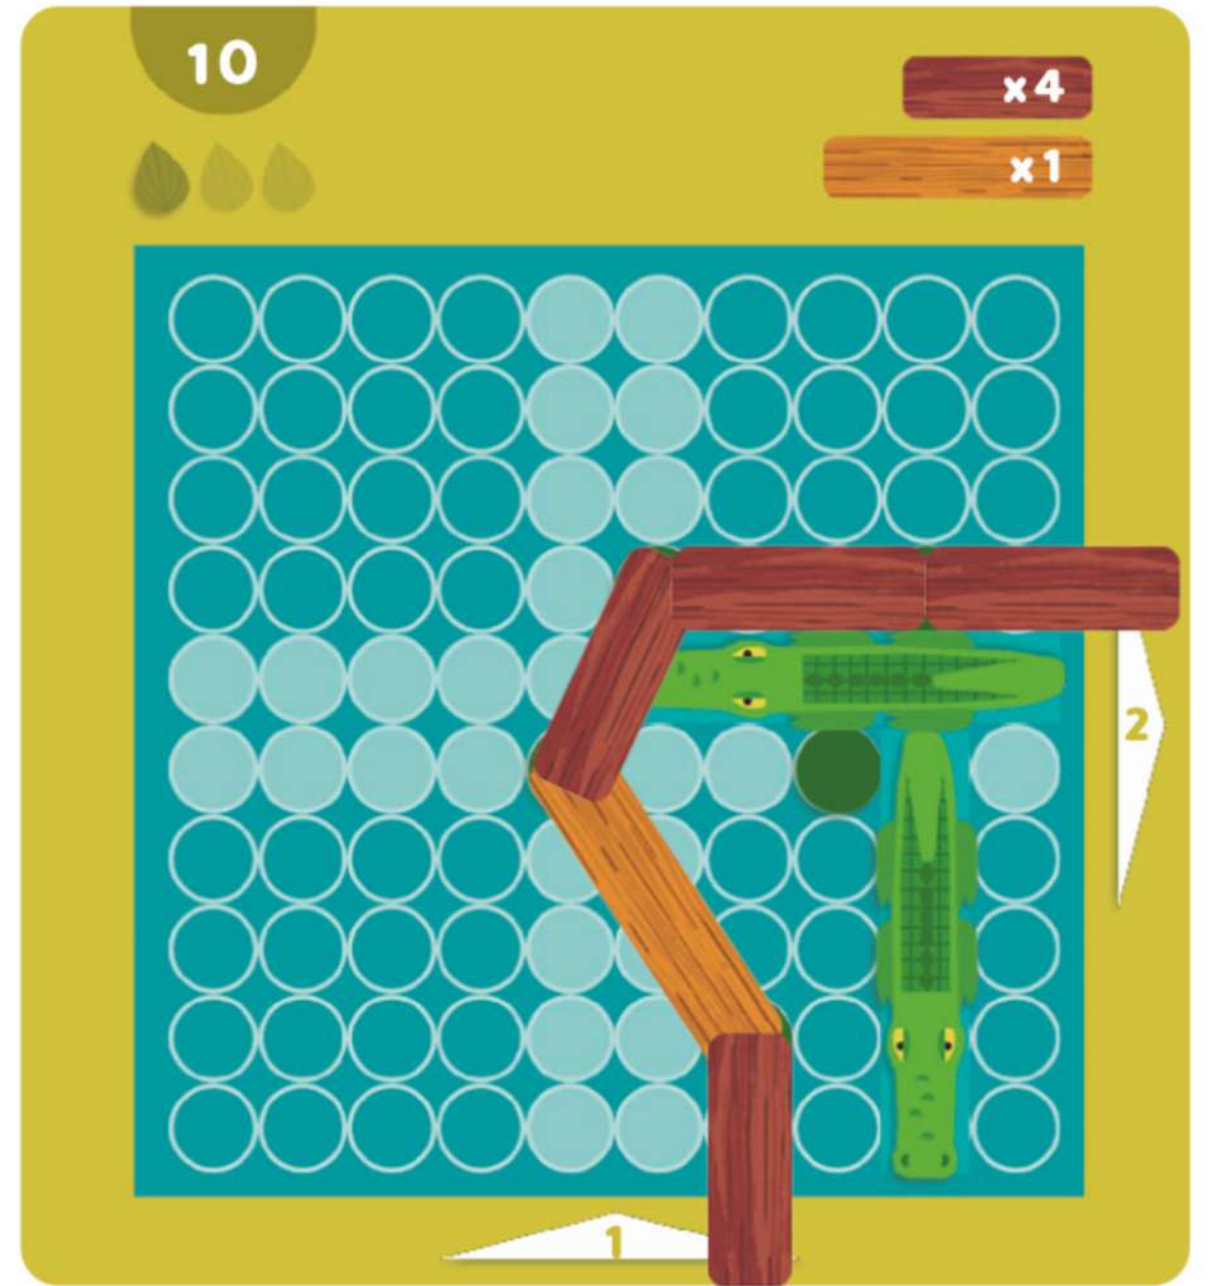

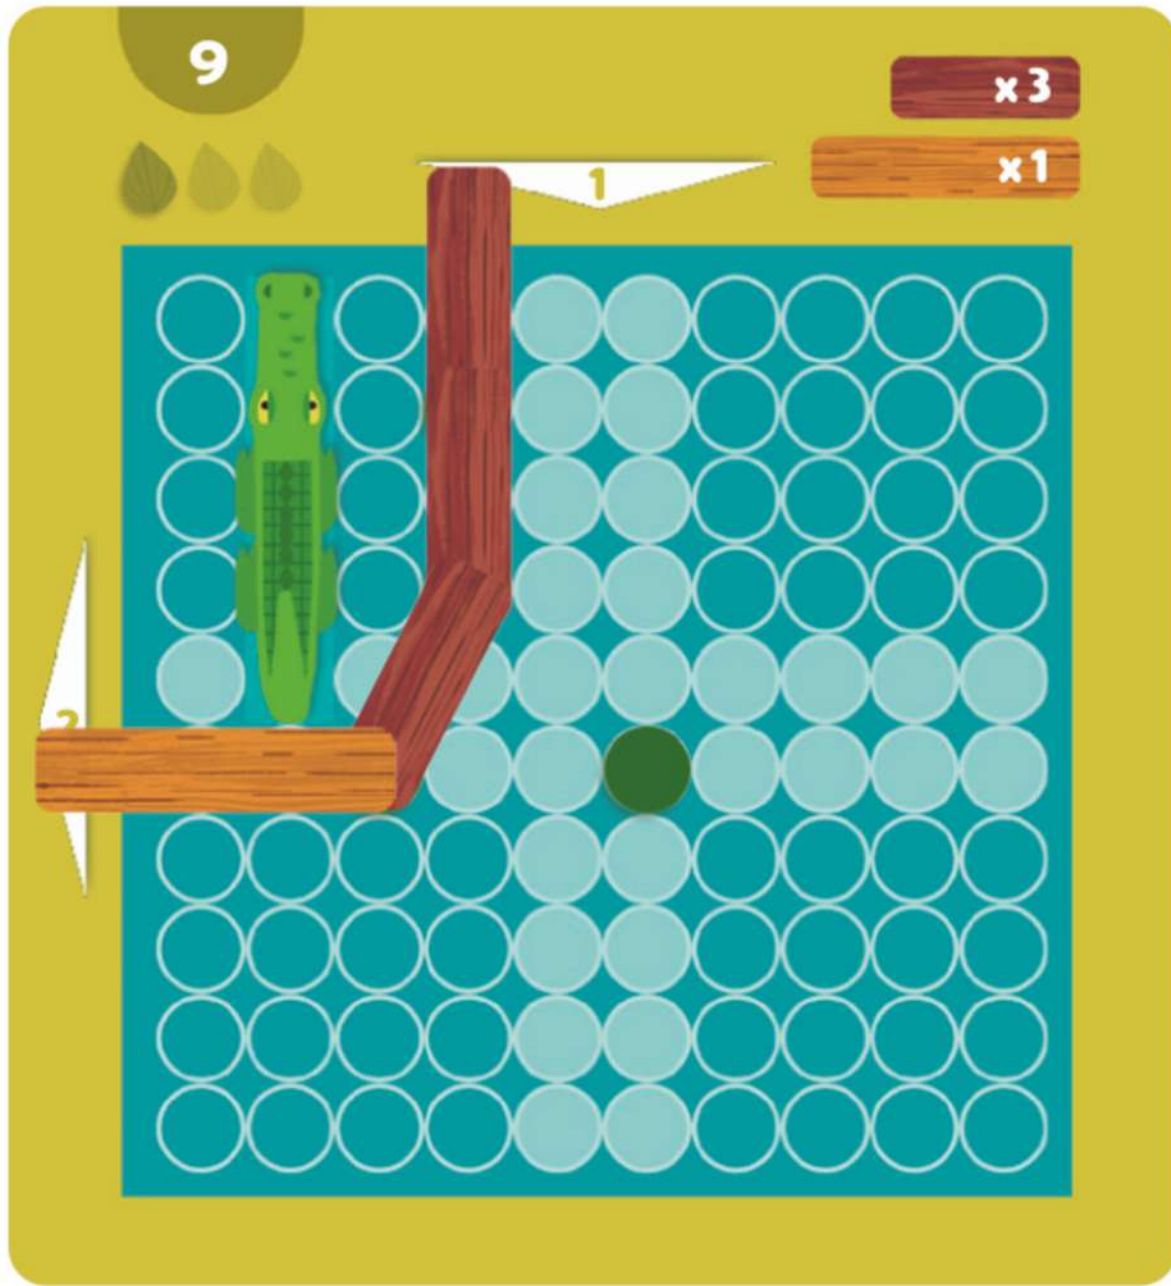

Traseul este de asemenea considerat continuu dacă două buturugi se ating.

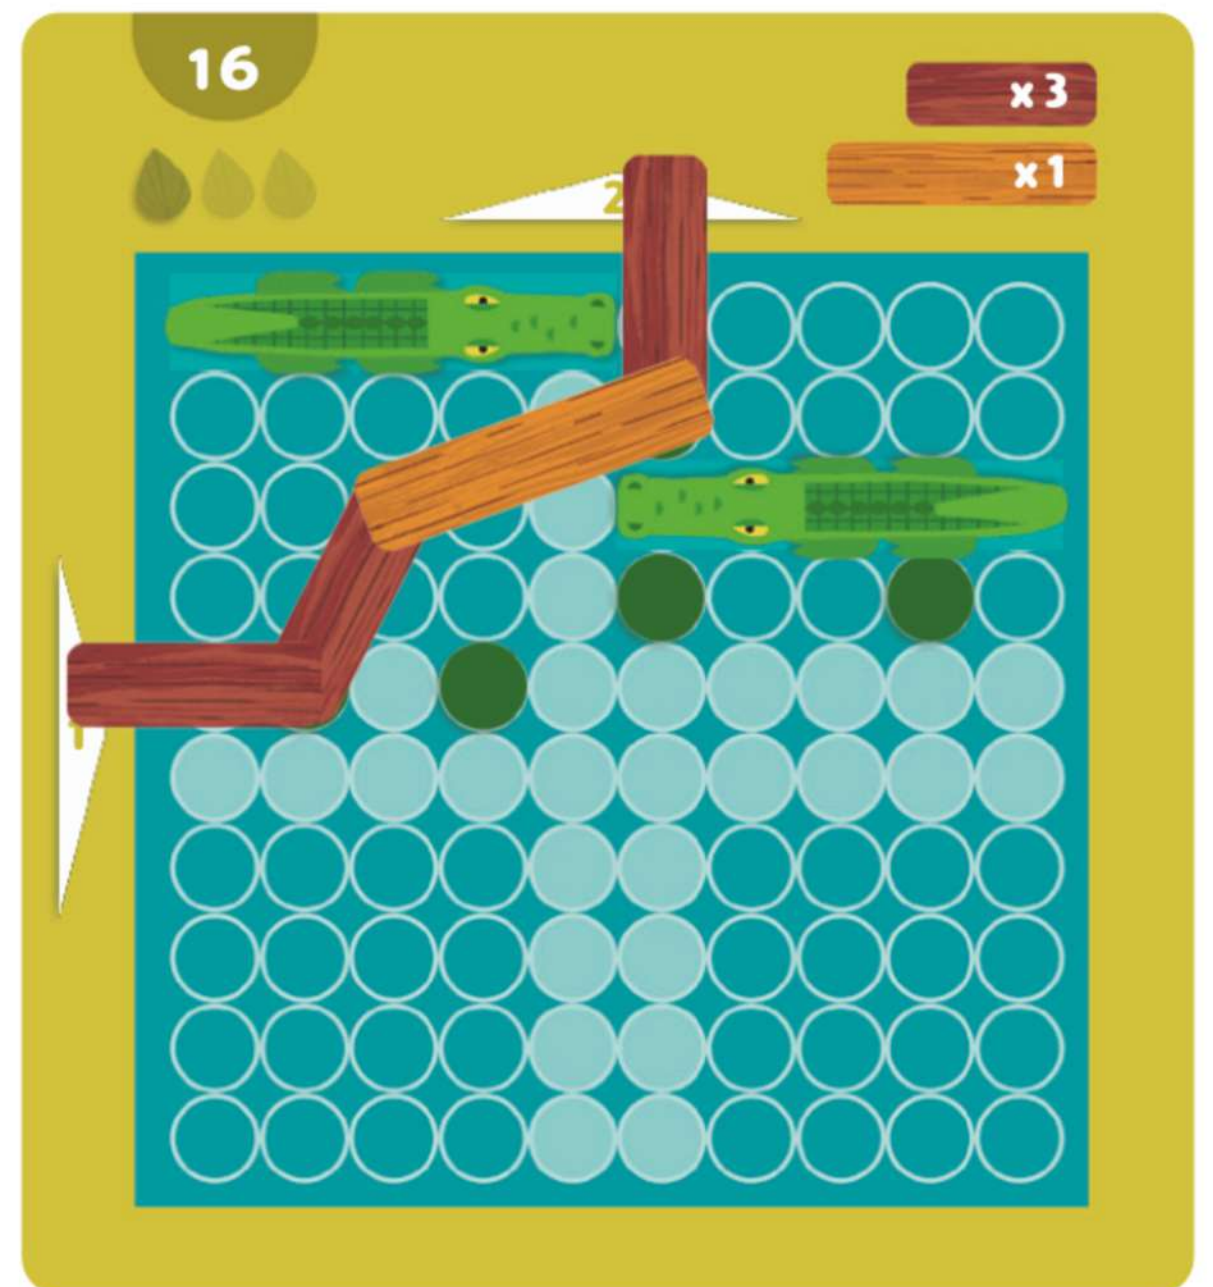

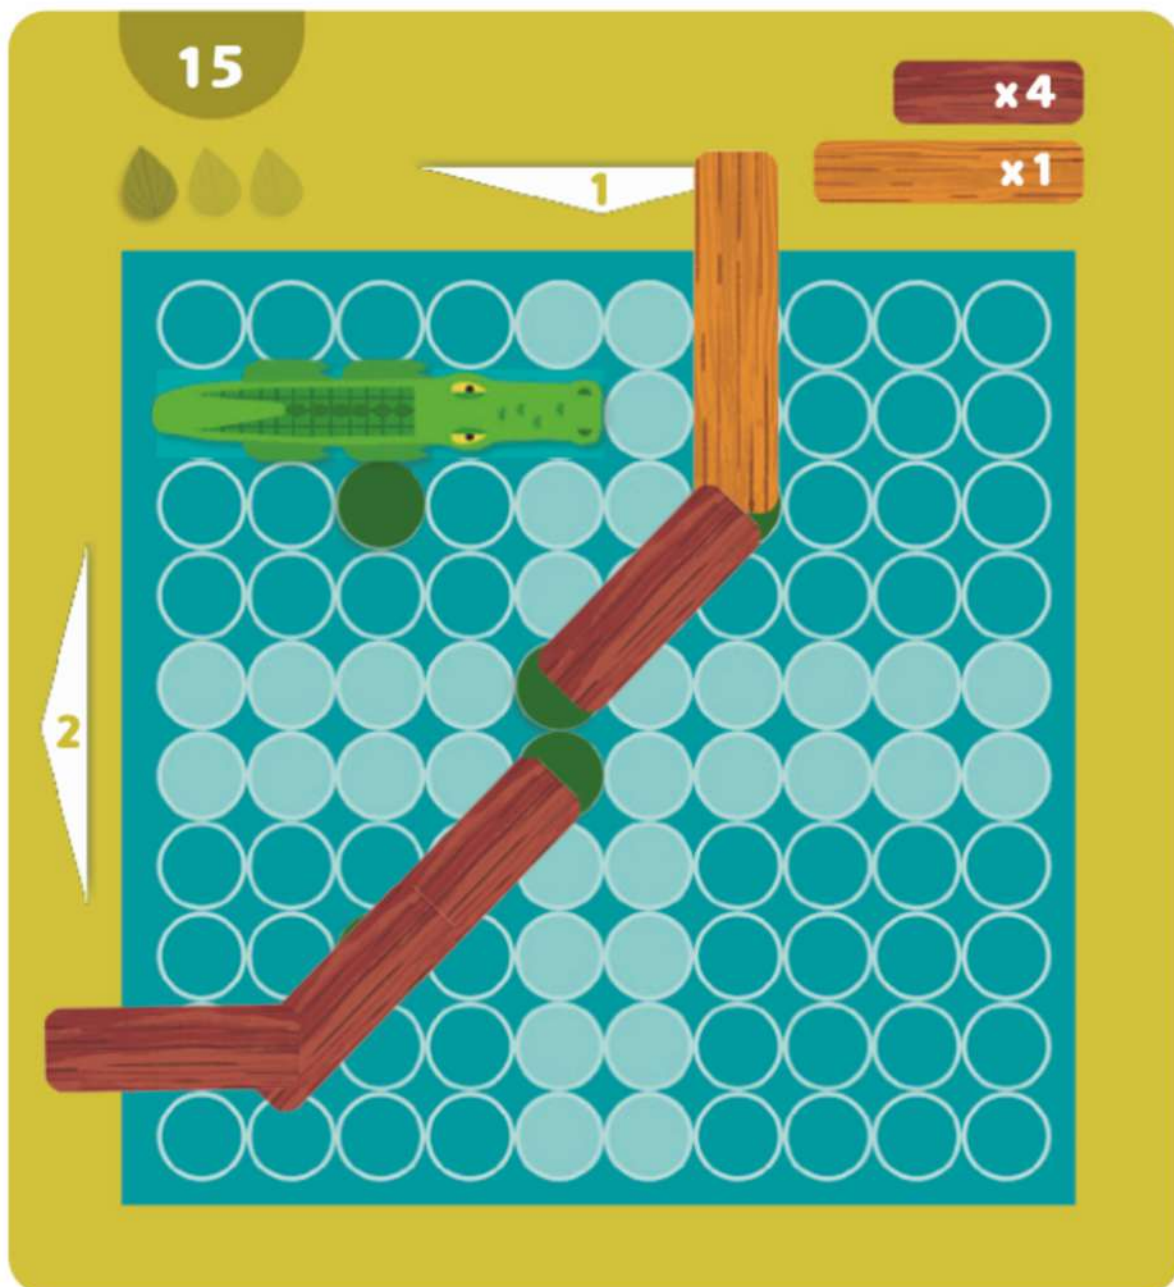

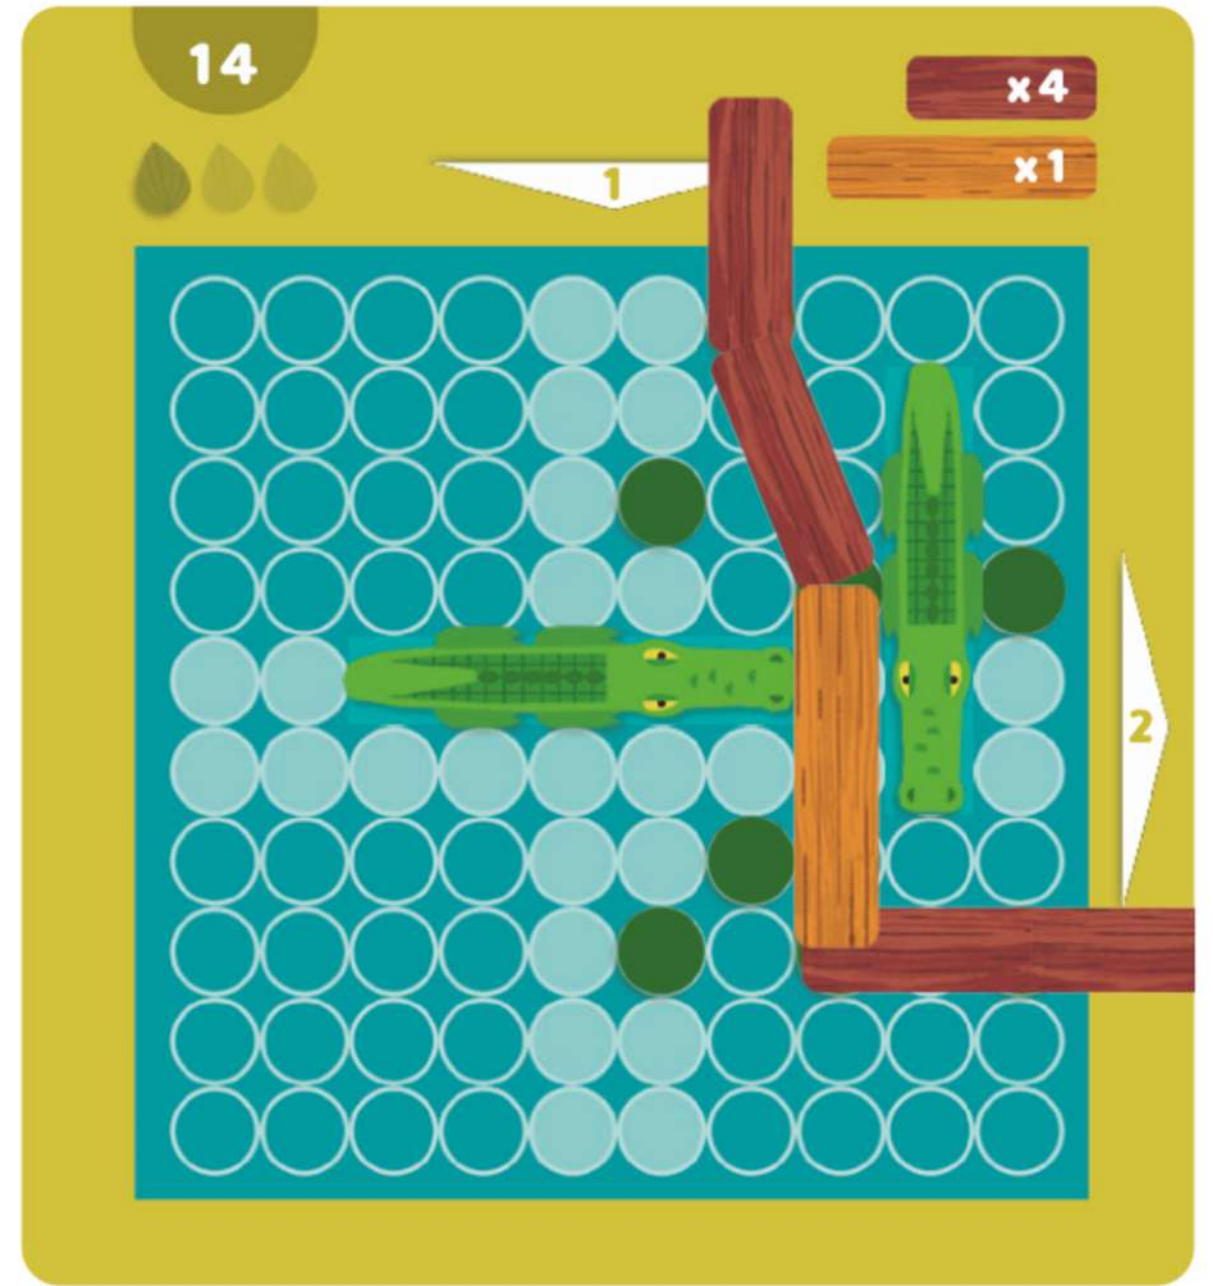

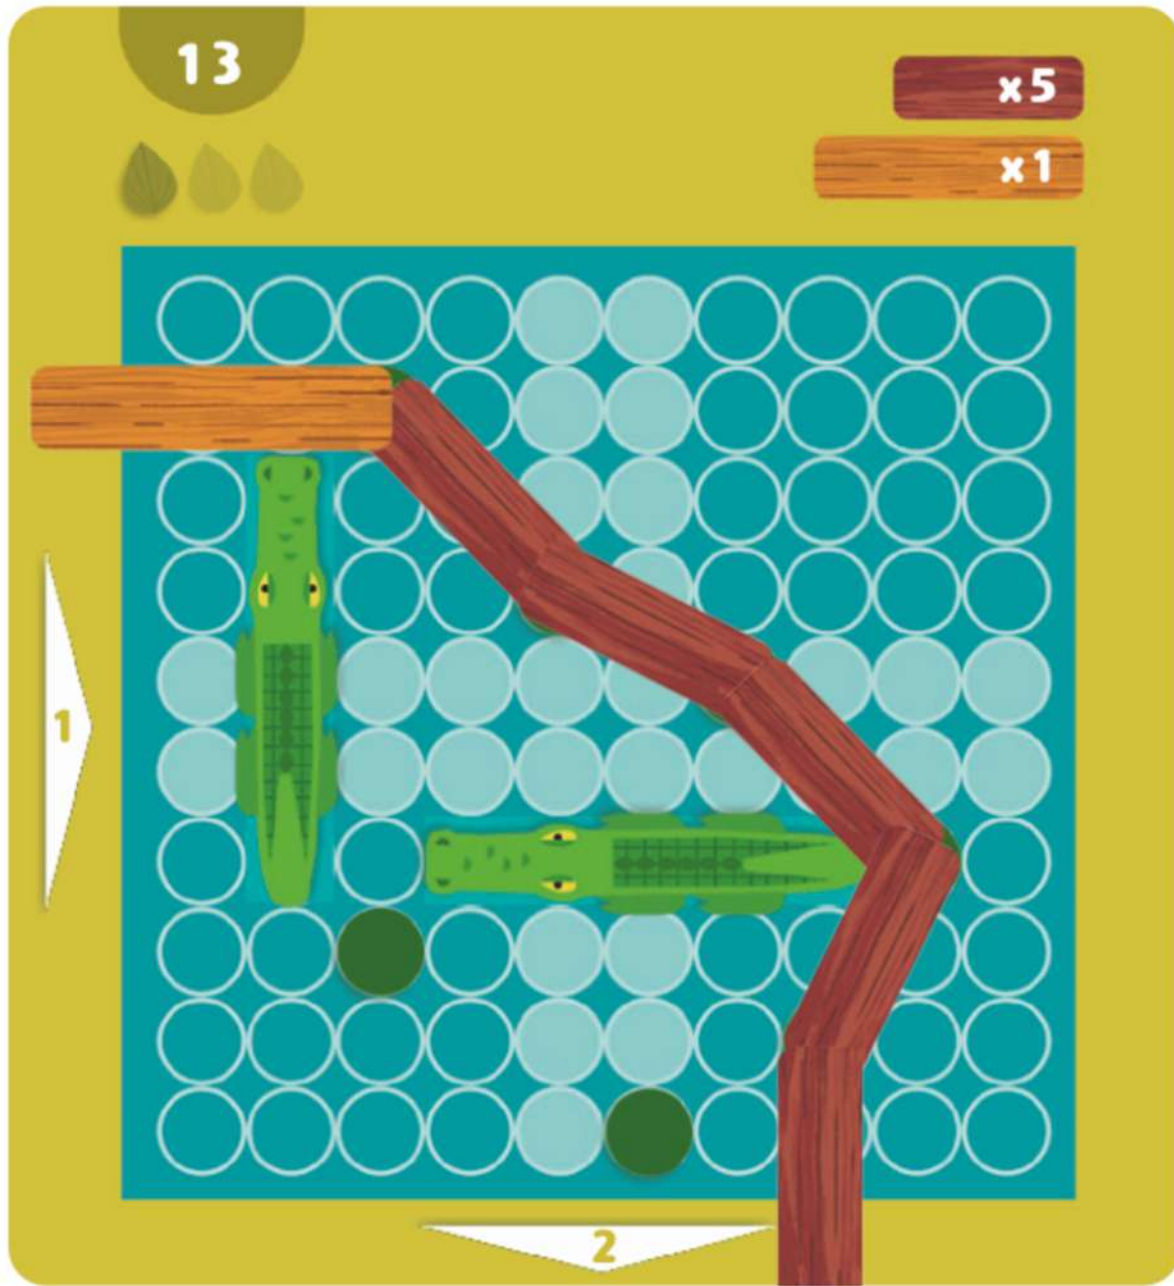

Exemplu:

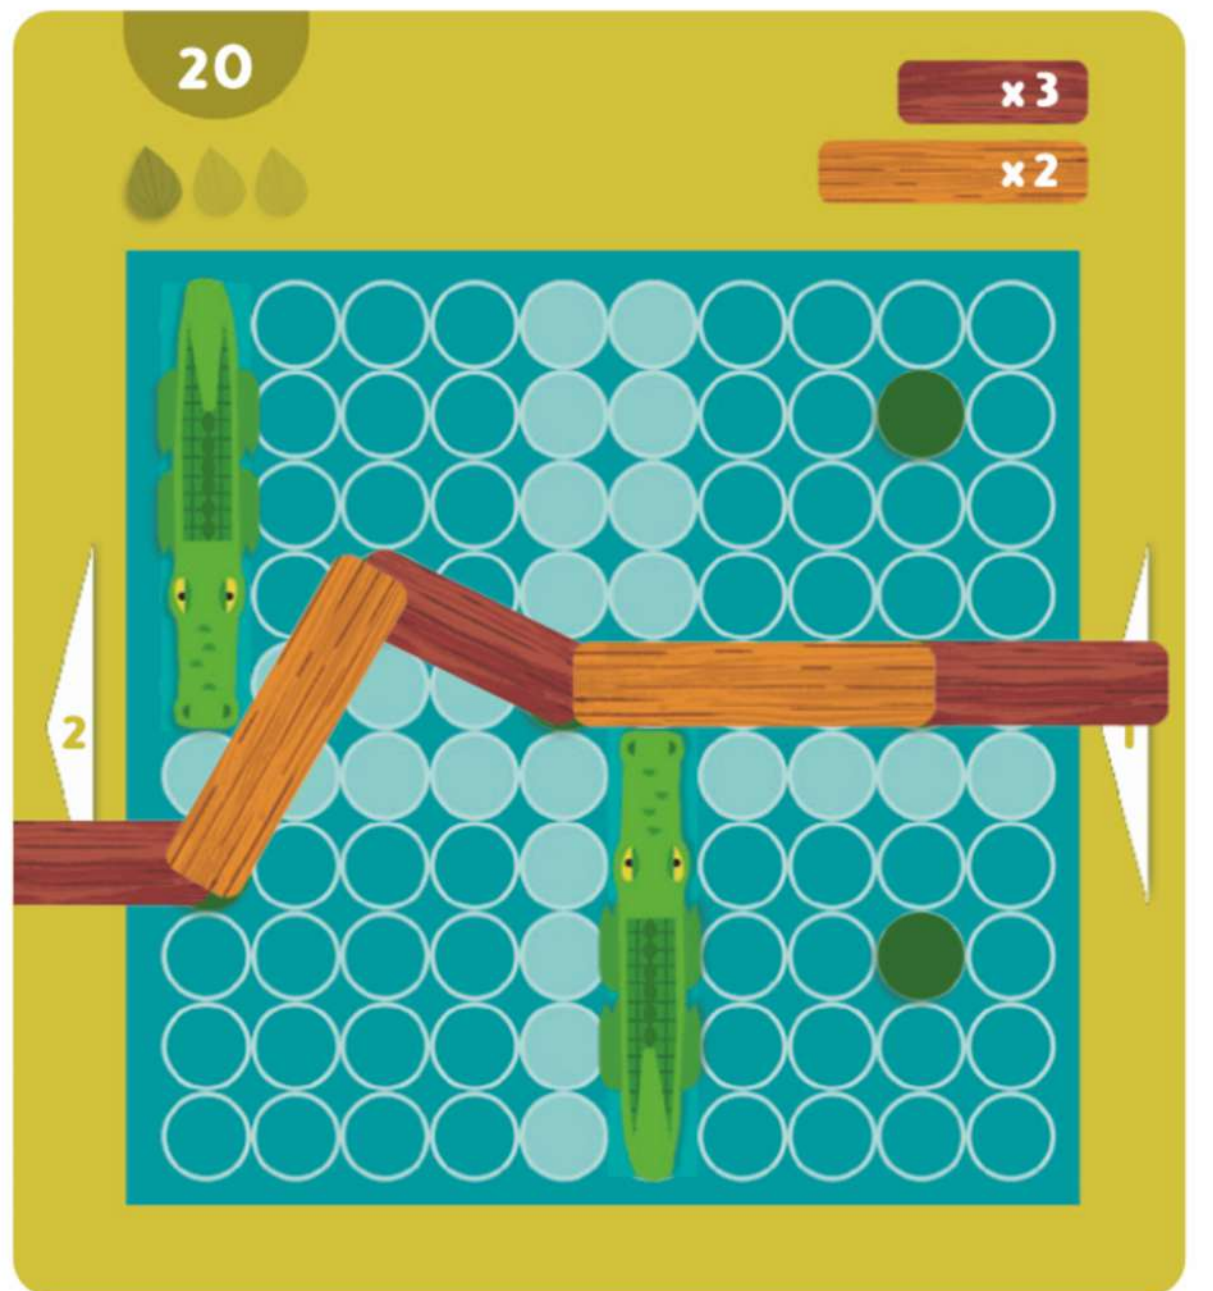

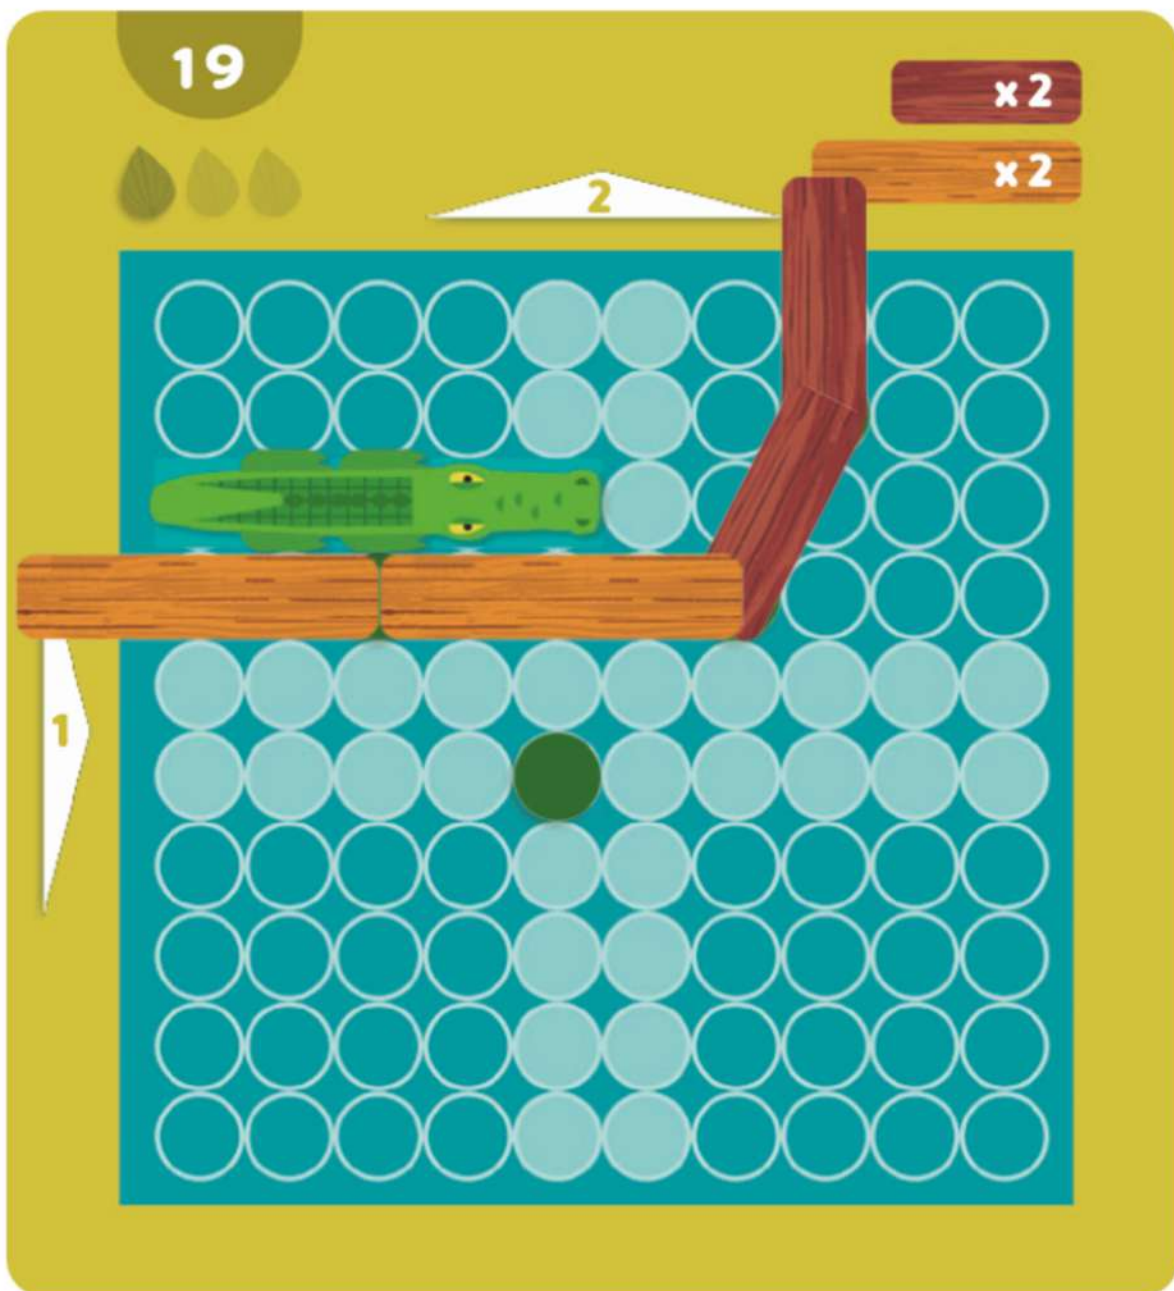

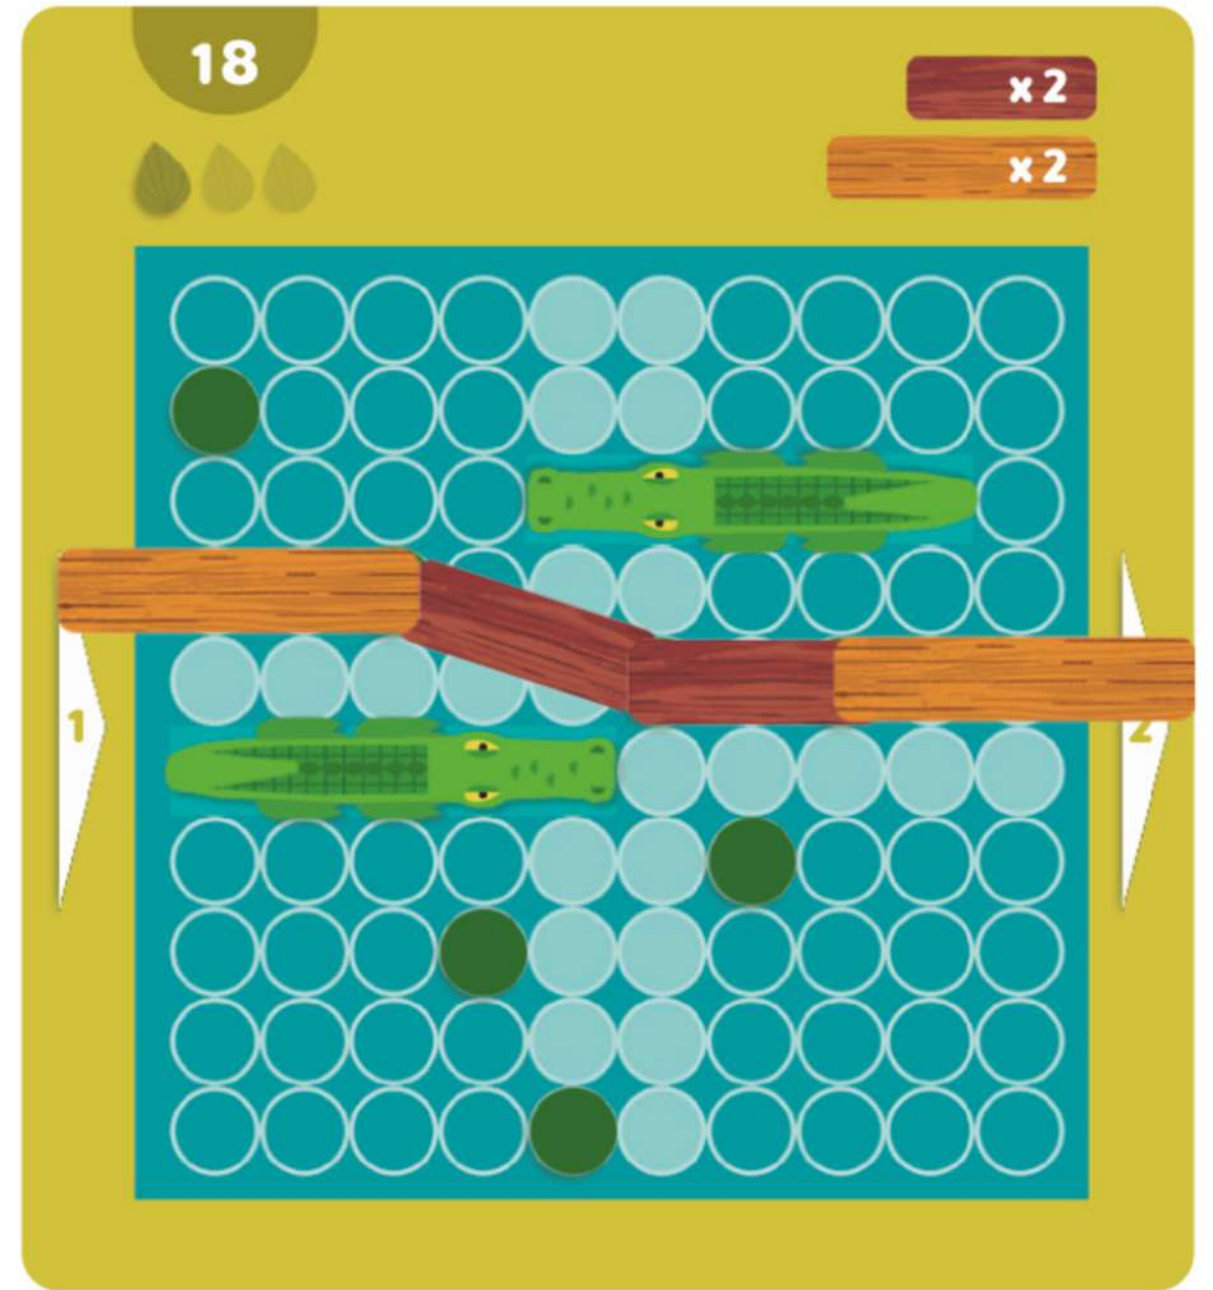

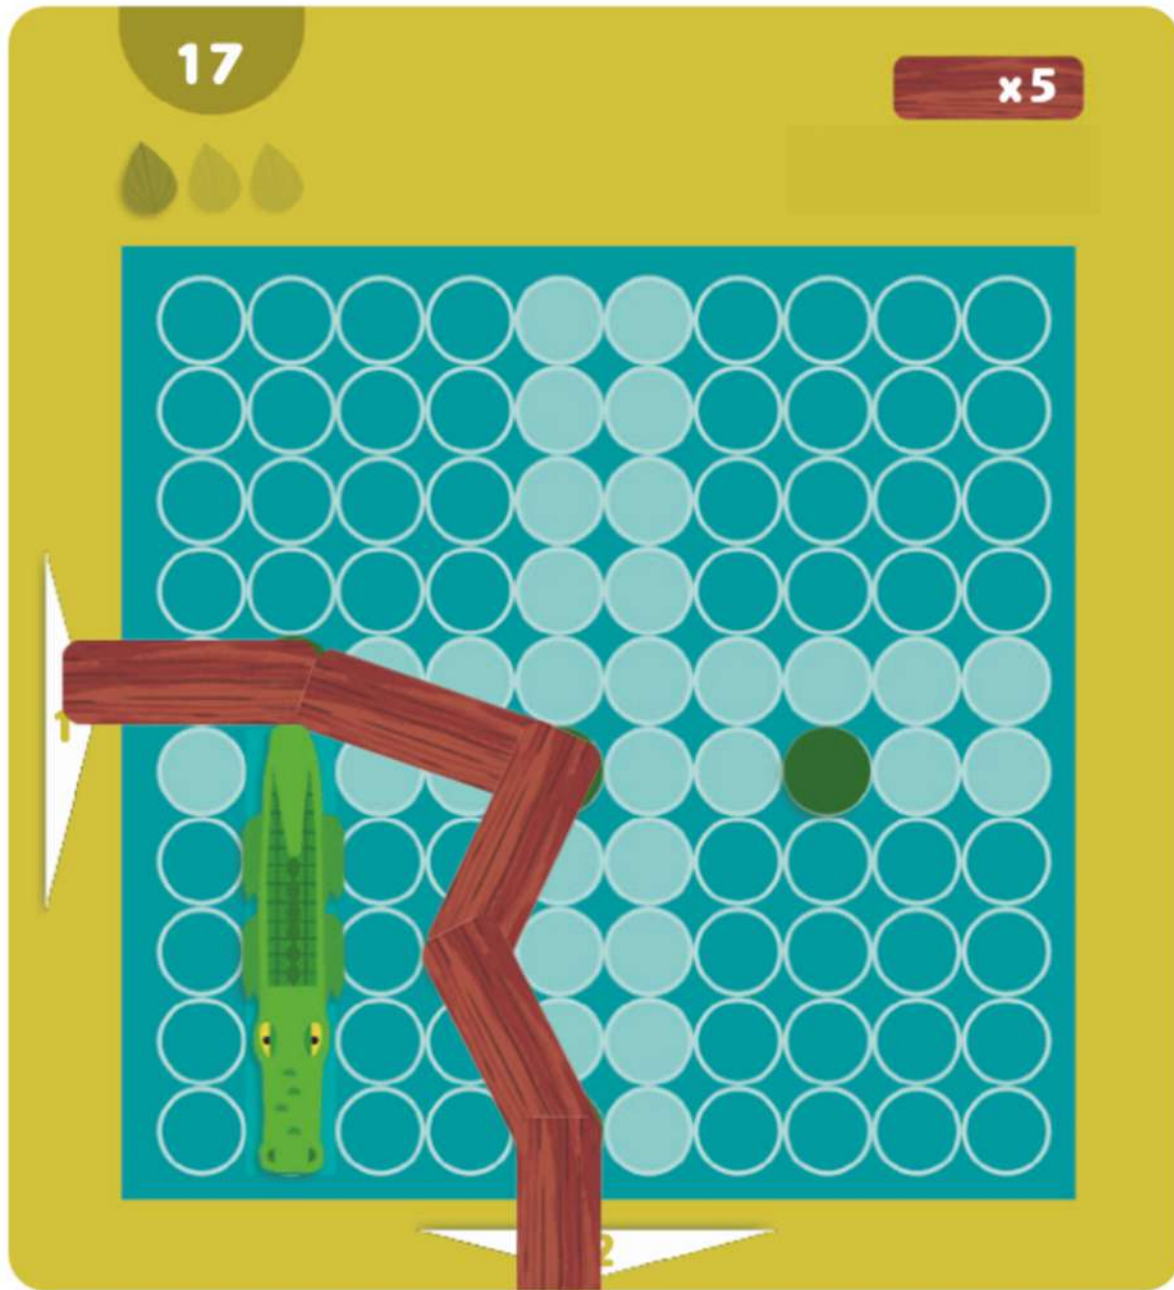

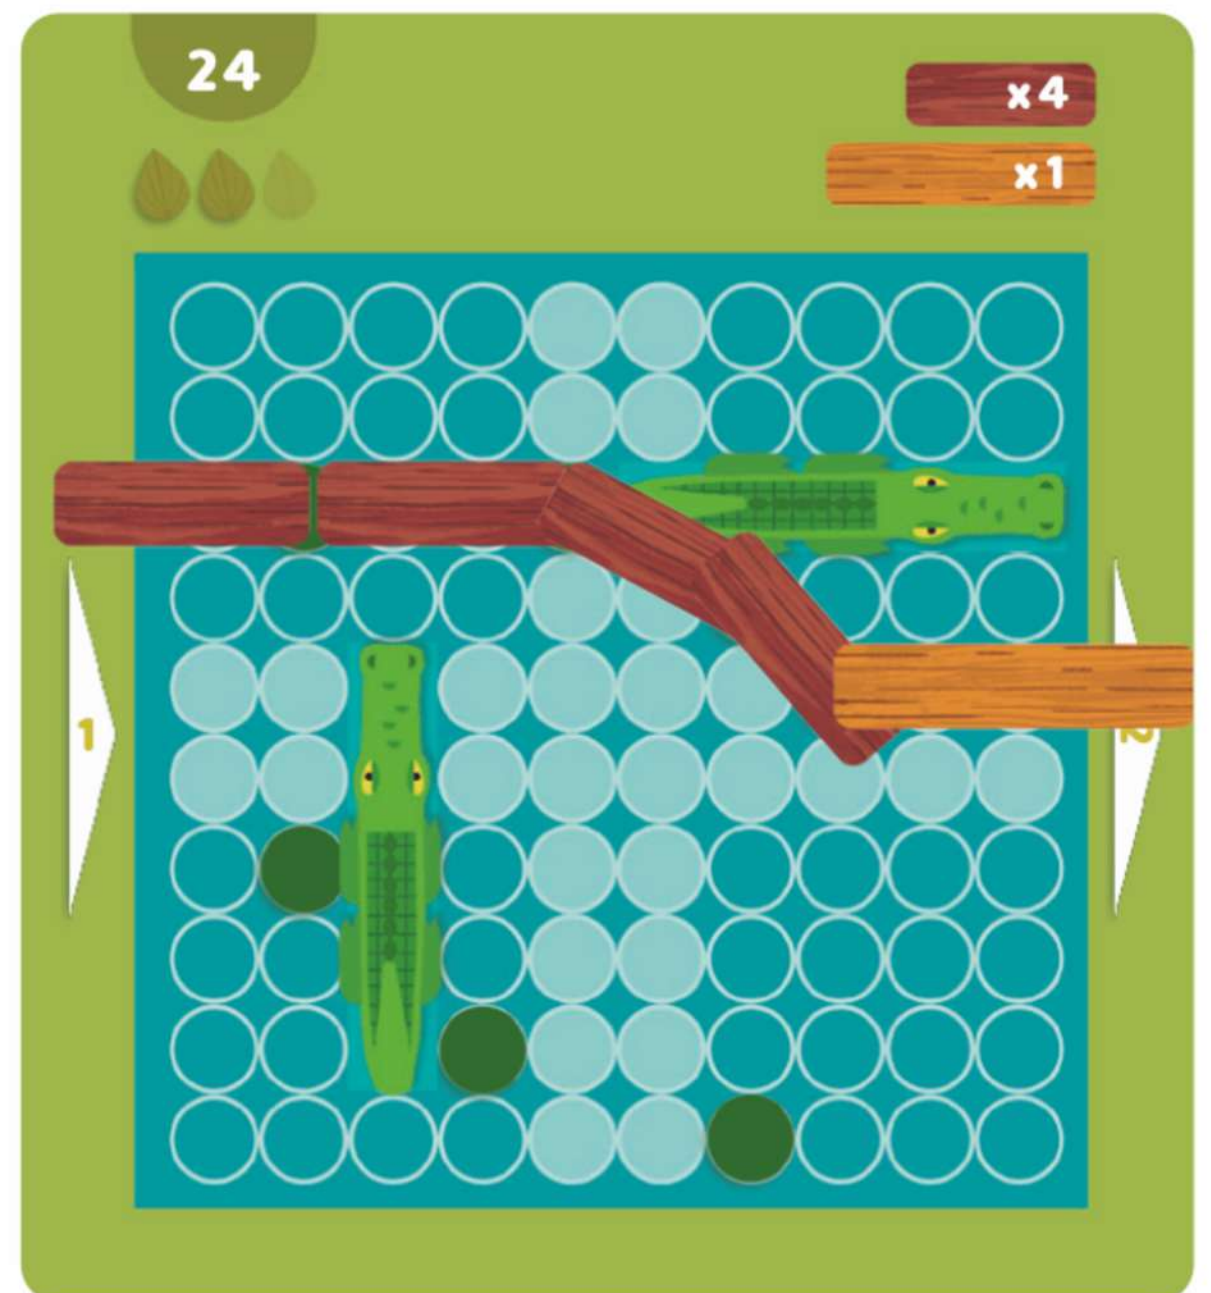

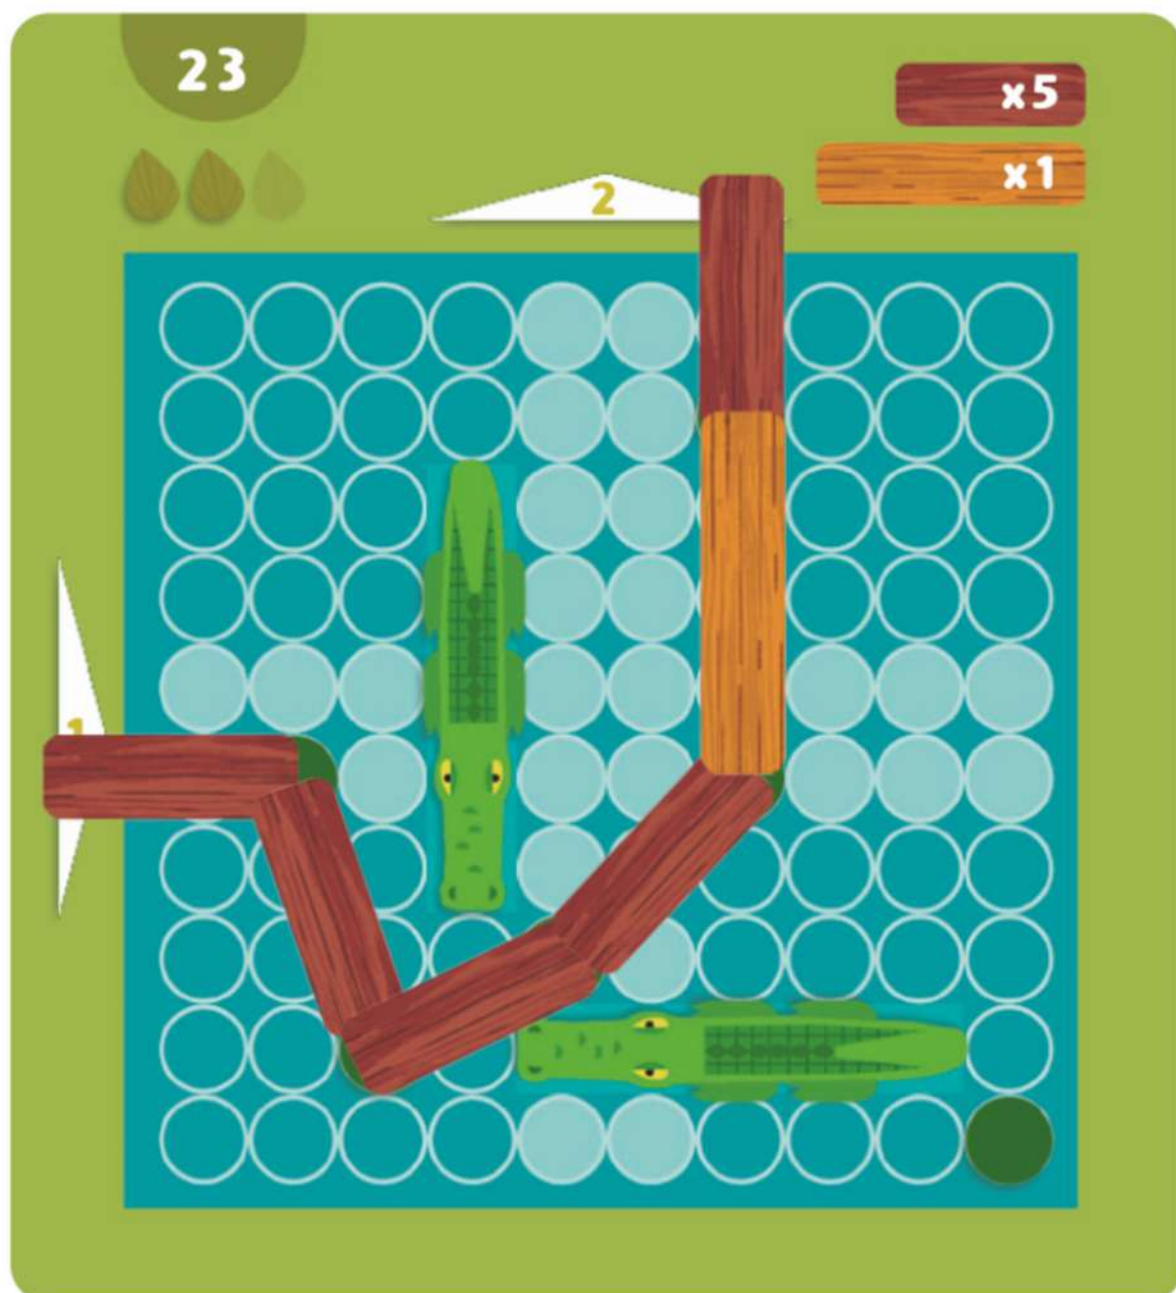

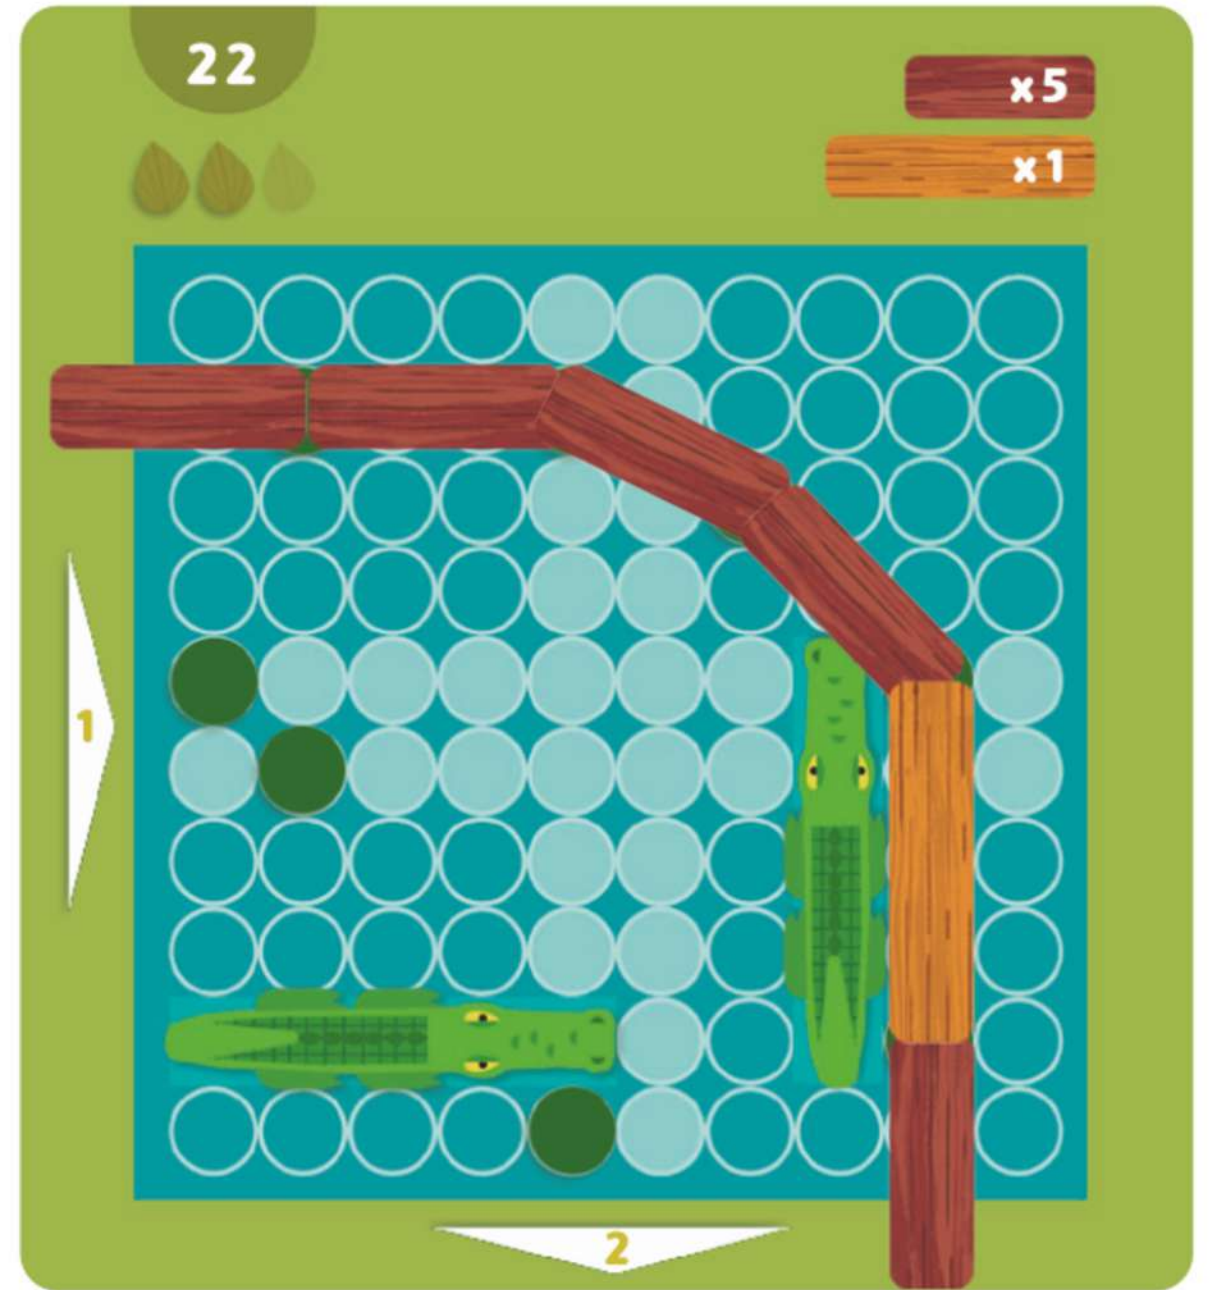

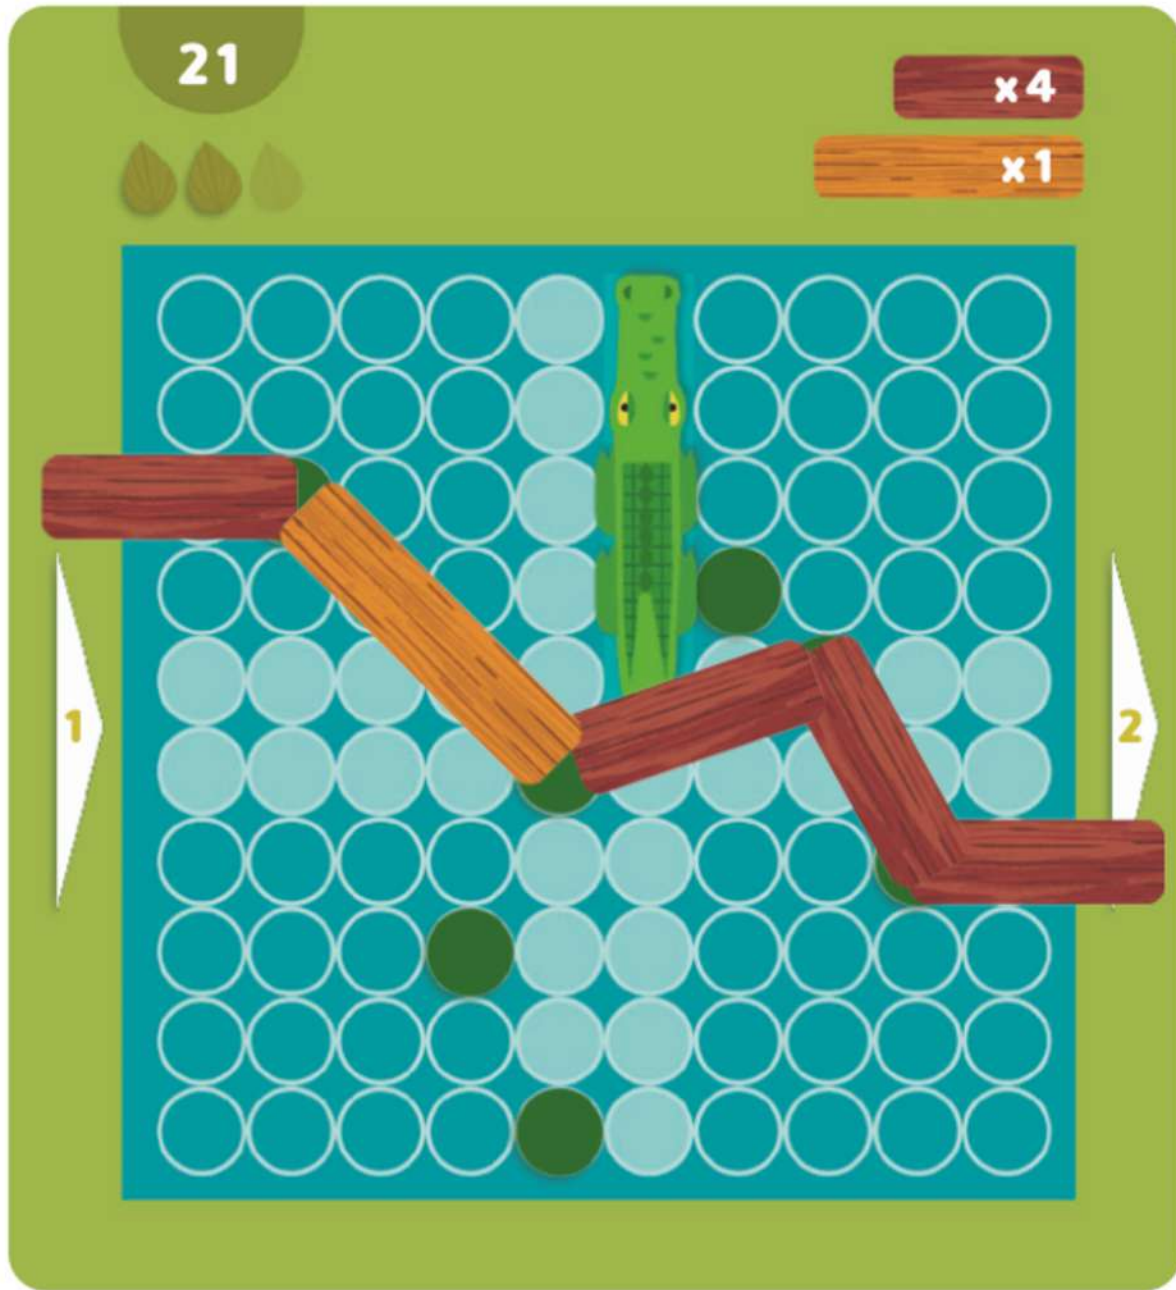

**Există o singură soluție pentru fiecare provocare.
Acele soluții pot fi găsite în paginile următoare.**
