Union Authorisation for the biocidal product family "orochemie hand disinfectants"

Dear Sir or Madam,

We would like to inform you that the Union Authorisation for the biocidal product "HD 410" has been granted. The authorisation holder is orochemie GmbH + Co. KG, Max-Planck-Straße 27, 70806 Kornwestheim, Germany.

For further information please refer to the Commission Implementing Regulation (EU) 2025/427 for the biocidal product family „orochemie hand disinfectants“.

For this reason, the transitional registration number (4740BIO/01/04.22 HD 410 HAND DISINFECTION) is no longer valid in Romania.

The product "HD 420 plus" has also been approved within the biocidal product family. The approval number for this product is: EU-0032838-0001 1-1.

In future, only the hand disinfectant with the trade name "HD 420 plus" will be sold in Romania and the product with the trade name "HD 410" will be sold out and discontinued.
